SANTA FE SPRINGS ZONING CODE UPDATE

City of Santa Fe Springs Zoning Code Update

The Community Development Department is leading a comprehensive update of the City's Zoning Code Update to modernize land use regulations. This ongoing initiative plays a key role in shaping how our community grows and evolves in the years ahead.

For detailed information, and upcoming workshop dates, please visit the City's Zoning Code Update webpage at: www.santafesprings.gov/zoningcodeupdate or contact CommunityDevelopment@santafesprings.gov (562) 868-0511 Ext 7550

The City held its first public workshop for the Zoning Code Update on Tuesday, June 10, 2025. The workshop saw a diverse and enthusiastic group of participants, including City Council members, Planning Commissioners, City staff, the Chamber of Commerce, local business owners, real estate brokers, and residents. Organized in partnership with the City's consultant, Lisa Wise Consulting, and the Community Development Department, the session introduced the goals, timeline, and scope of the project.

This workshop was just the beginning. The City encourages all residents and stakeholders to stay engaged and informed as the project moves forward. Public Workshop #2 is on the horizon, and your input remains vital. In future workshops, the City and its consultant will provide an assessment of stakeholder comments, discuss recommendations, and comment on future drafts of the new Zoning Code.
