Preamble

It is the purpose of this Memorandum of Understanding (hereinafter referred to as the "MOU") to promote and provide for harmonious relations, cooperation, and understanding between the City and its representatives and the local fire employees covered under this MOU and to set forth the agreement of the parties reached as a result of good faith negotiations regarding wages, hours and other terms and conditions of employment of the employees covered under this MOU, which agreement the parties intend jointly to submit and recommend for City Council approval and implementation.

Article I. **Recognition and Rights**

Section 1. Representation and Duration

This MOU is between the City of Santa Fe Springs (City or Employer) and the Santa Fe Springs Firemen's Association, Inc. affiliated with the International Association of Firefighters and recognized therewith as Santa Fe Springs Firefighters Union Local 3507 (hereinafter referred to as the Association) representing Fire Safety Unit, Environmental and Chief Officers Unit/Fire Management (Fire Chief & Battalion Chiefs)

The term of this MOU agreement shall be effective July 1, 2024 through June 30, 2027, and for the duration of any agreed upon extension.

Section 2. Recognition

Pursuant to the provisions of City Council Resolution No. 3005, the City recognizes the Association as the exclusive bargaining representative with regards to the meet and confer process relating to wages, hours, and other terms and conditions of employment contained in this MOU. The job titles represented by the Association are those identified in Appendix A. The City shall recognize its obligations under this MOU, the Meyers-Milias-Brown Act, Government Code Section 3500, et.seq.

Section 3. Release Time

During periods of formal labor negotiations between the Association and City, Association negotiation team members who are on-duty shall be taken out of a response mode to the extent possible. Association Board members will be granted reasonable time-off without loss of pay but for not more than two consecutive 24-hour shifts at any one time, and limited to not more than five Board members at any one time, to attend but not exclusively limited to legislative and employer-employee relations conferences. Approval by the Fire Chief and City Manager for release time requests of this nature beyond two meetings per year is needed. The Association will use its best-faith efforts to keep the frequency and number of members attending to a reasonable level. The Association will always work with department management to ensure that the release time requested is properly scheduled to avoid undue hardship to the operations of the department. All expenses associated with such release time will be borne by the Association unless otherwise permitted by the City. (PPPM 6-1.3, 05-06 MOU)

Section 4. Labor Relations Committee

A Labor Relations Committee composed of two City representatives, two Association representatives and the Fire Chief or their designee may meet at a mutually agreed upon frequency to discuss workplace issues regarding wages, hours and working conditions, or special projects related to those areas. When beneficial, the committee may consult with outside individuals with specific knowledge on the topic of discussion. (PPPM 7-9.)

Section 5. Bulletin Board Space

The Association will be permitted to maintain at each station and in an area accessible for all represented employees adequate bulletin board space suitable for the display of Association business.

Section 6. Employee Orientation/Employee Information

Pursuant to Government Code §3358 and in compliance therewith, the City will notify the Association's President in writing or via email regarding all new hires at least ten (10) days prior to the employee's orientation unless there is an urgent need that was not reasonably foreseeable. Within the earlier of thirty (30) days after the date of hire or by the first pay period of the month following the hire of each newly hired employee, the City will provide the Association President with the new employee's name, job title, department, work location, work email, and work phone numbers. No other information from the City is being requested by the Association even though the Association may be entitled to such additional information under law. The Association reserves the right to request more frequent represented employee information as required.

The new hire will receive a copy of the MOU with his/her new employee orientation packet. The Association shall be permitted one (1) hour for each orientation session to privately talk to new bargaining unit members to explain the rights and benefits under the MOU.

The City will provide the Association President a quarterly list of all employees in the represented bargaining unit, including the employee's name, job title, department, work location, work email, and work phone number.

Section 7. Association Dues Deduction

The City shall deduct from each paycheck of unit employees the regular [periodic] membership dues, initiation fees, and general assessments, as well as payment of any other membership benefit program sponsored by the Association. Such deductions shall be made only when the Association member's earning for a pay period are sufficient after other legally required deductions are made. The Association hereby certifies that it has and shall maintain all such deduction authorizations signed by the individual from whose salary or wages the deduction is to be made and shall not be required to provide a copy of an individual authorization to the City unless a dispute arises about the existence or terms of the authorization. The Association membership dues shall be deducted each

pay period in accordance with City procedures and provisions of applicable law from the salary of each employee whose name is provided by the Association.

The City shall remit the total amount of deductions to the Association within thirty (30) days of the date of the deduction. Any changes in the Association dues must be given to the City a minimum of fifteen (15) days prior to change to accommodate changes to payroll.

The Association shall indemnify the City from any claims relating to the City's compliance with this Dues Deduction provision, except for any claims arising from City's own negligence.

Article II. **Management Rights**

Section 1. General Provision

The exclusive rights of the City include, but are not limited to, the right to determine the mission of its constituent departments, divisions, or commissions and boards; set standards of service and municipal fees and charges; determine the procedures and standards of selection for employment, assignment, transfer, and promotions; direct its employees; take disciplinary actions; relieve its employees from duty for legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means, and personnel by which governmental operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; exercise complete control and discretion over its organization and the technology of performing its work. The City is in no way precluded from seeking alternative ways of providing fire service if the City Council deems it is in the City's best interest to do so including, but not limited to, entry into the Los Angeles County Fire Protection District, consolidation with one or more municipal fire departments, and the possible closure of or combination of one or more fire stations.

The parties recognize that there are existing ordinances, resolutions, and policies relating to benefits and other conditions of employment and the same are not affected by this Agreement except as provided herein. The City agrees not to reduce or abridge the level of supplemental benefits currently available to all safety employees during the term of this Agreement without mutual consent.

The City and Association agree that nothing in this Memorandum of Understanding shall in any way abridge, restrict or modify the rights and prerogatives of the City as set forth in Section 6 of Resolution No. 3005 of the Santa Fe Springs City Council and such section is hereby incorporated by this reference and made part hereof as though set forth in full. (*Resolution No. 3005, PPPM 7-1 and 7-2*)

Section 2. Disciplinary Action and Employment Separations

so warrants. Any such action shall be in accordance with the procedures as set forth in the Personnel Resolution. Whenever employee performance falls below the required level or when an employee's conduct falls under one of the causes for action listed in the Personnel Resolution, the supervisor shall inform the employee promptly and specifically of such lapses. If appropriate and justified, following a discussion of the matter, a reasonable time for improvement or correction may be allowed before any further disciplinary action is initiated. In situations where oral warning has not resulted in the correction of the condition or where more severe initial action is warranted, a written reprimand shall be sent to the employee and a copy placed in the employee's personnel file. When other forms of disciplinary action have proved ineffective, or where the seriousness of the offense or condition warrants, the Fire Chief may reduce pay, transfer, demote or dismiss the employee for any cause listed in the Personnel Resolution No. 5969. (*Res. #5969, XI.1; PPPM 5-13.1, PPPM 11-3.1*)

Suspensions - In those cases where one or more written reprimands have not proven to be effective, or in those cases where the seriousness of the events or conditions warrant it, an employee not on a 24 hour shift schedule may be suspended without pay by the Fire Chief for each offense for any cause listed in the Personnel Resolution. A safety employee on a 24 hour shift schedule may be suspended without pay by the Fire Chief for each offense for any cause listed in the Personnel Resolution. (*Res. #5969, XI.1; PPPM 5-13.1, PPPM 11-3.1*)

Section 3. Re-Opener

If state or federal law is adopted or documented evidence indicates a significant change in the City's financial conditions which adversely affects the City's capability to meet the terms of this agreement, any part or the total agreement can be open to the meet and confer process during the term of this agreement.

Section 4. Waiver

Except as provided herein, the Association hereby expressly waives any right to request any improvements or changes in salaries, benefits or other terms and conditions of employment for the employees represented by the Association which would take effect prior to July 1, 2020, and the City of Santa Fe Springs, through its representatives, shall not be required to meet and confer as to any such request.

No employee shall work more than 120 consecutive hours without consent from the Fire Chief. Strike team deployment is exempt from this provision. Any employee who works 120 consecutive hours shall be required to take off at least 24 consecutive hours before being allowed to return to work. The Fire Chief and/or Assistant Fire Chief reserves the prerogative to determine, at their discretion, whether an employee has become so fatigued or otherwise unable to perform the functions of their job. If it is determined that an employee has become so fatigued or unable to perform their duties, the Chief shall have the prerogative to relieve the employee from further duty and send them home on unpaid status. The employee may use accrued and unused vacation or flexible leave to cover the remaining portion of the scheduled shift if qualified relief is available to work.

Section 4. Suppression Staffing

The minimum level of staffing will be 15 fire personnel per shift. This will consist of one Battalion Chief, four Captains, four Engineers, two Firefighter/Paramedics and four Firefighters per shift.

Section 5. Station and Shift Transfer and Bid System

The following Station and Shift Transfer and Bid System will remain in effect during the term of this MOU. If problems occur during the term of the MOU, the City and the Association will meet to look at alternative approaches to resolve those problems. If the problems cannot be worked out to the satisfaction of both parties, the City will revert back to its previously effective Transfer and Rotation programs at the discretion of the Fire Chief.

Transfers may be initiated in two ways:

- Employee Requested
- Department Initiated

Employee Requested Transfers

A. Open Position Transfer:

- When a station and shift assignment has been vacated by annual bids, promotion, termination, retirement or severance of employment, it may be filled through the open position transfer process.
- Notice of vacancies shall be posted on Fire Department bulletin boards and department e-mail.
- Any employee desiring to fill a vacant position must submit a written request to the Administrative Battalion Chief within seven (7) calendar days of posting of the vacancy.
- If more than one employee requests to be transferred to an open position, consecutive seniority in current rank shall be the determining factor.
- The transfer request will be approved or denied, in writing, within fourteen (14) calendar days of posting of the vacancy.
- An employee desiring a transfer to a vacant position that has been vacated for an extended period of time will submit their request to the Administrative Battalion Chief and follow the above procedures in filling the vacancy.
- If a position becomes available for an unknown extended period of time, an employee may temporarily request to transfer to the open position. When the employee creating the vacancy returns to his original assignment, the employee that moved to the temporary vacancy will return to any open available position. This employee will not have the option of returning to his original assignment prior to the temporary transfer if it has already been filled by another employee.
- The Fire Chief shall have the prerogative to either grant or deny a request for transfer.

B. Mutual Agreement Transfers:

- Employees of equal rank may request to switch or exchange their current assignments between themselves.
- Requests for transfers shall be submitted, in writing, through chain of command to the Administrative Battalion Chief.
- The Fire Chief shall have the prerogative to either grant or deny the request. The request, approved or denied, shall be returned to the employee within fourteen (14) calendar days of receipt of the request.

C. Annual Station and Shift Transfer and Bids:

The bidding process of the Station and Shift Transfer and Bid System will take place annually. Bidding will commence the Monday following the Thanksgiving holiday. Station and shift selection shall be open for bid according to the following:

- All classifications shall have the option of bidding for transfer to be effective in January of each year. The Captains will bid first followed by Engineers and then Firefighters. The most senior member of that rank will have first bid.
- The Fire Chief shall have the prerogative to approve or deny such requests. The approval or denial of a request for transfer shall not be subject to the grievance or appeal process.

- Upon the conclusion of the annual selection process, the senior Firefighter/Paramedic for each shift may select a remaining open position for the shift's third Firefighter/Paramedic to rotate to when not assigned to Station Four. Truck 811 is not an open selection for the Firefighter/Paramedic position.

Department-Initiated Transfers: The Department reserves the right to initiate transfer of personnel to meet the needs of the organization, taking into consideration concerns of employees. The decision to transfer, or the denial of a request to transfer, pursuant to all types of transfers mentioned herein shall not be subject to the grievance procedure or appeal process.

Section 6. Modified Duty

If the industrial medical provider recommends modified duty on the same date an injury occurs, and with approval from the Fire Chief, the employee will report to Headquarters and work the remainder of the day, until 5:00 p.m., in a modified duty capacity. If the following day is the employee's regularly scheduled shift, the employee will report to Headquarters and work 8:00 a.m. – 5:00 p.m. in a modified duty capacity. If the industrial medical provider continues to recommend modified duty that would include the employee's next work segment, the employee will be required to report to Headquarters and work the modified duty schedule, beginning with the employee's normally scheduled next shift and continuing on a Monday through Friday, 8:00 a.m. to 5:00 p.m. A request to work a 4/10 work schedule or another schedule (including a 24 hour shift) to be approved by the Fire Chief at their sole discretion until the industrial medical provider returns the employee to regular duty. Safety employees shall not be assigned to another department unless both City and employee concur. For non-shift light duty assignments, seven days written notice of duties and restrictions shall be provided the employee. (*PPPM 5-10.1 and 5-10.2*)

The same process shall be used to schedule modified duty for employees whose medical status change, according to the industrial medical provider, regardless of the date of the injury. If the industrial medical provider recommends a change in status, such as from "unable to return to duty" to "able to return to modified duty," and, after approval from the Fire Chief and confirmation that modified duty is available, the employee will report to headquarters on his/her regularly scheduled shift, and work 8:00 a.m. to 5:00 p.m. If, the following day will be the employee's regularly scheduled shift, the employee will report to headquarters and work 8:00 a.m. to 5:00 p.m. in a modified duty capacity. If the industrial medical provider continues to recommend modified duty that would include the employee's next work segment, the employee is required to report to headquarters and work the modified duty schedule, beginning with the employee's normally scheduled next shift and continuing on a Monday thru Friday, 8:00 a.m. to 5:00 p.m. schedule, a 4/10 work schedule or another schedule (including a 24 hour shift) to be determined by the Fire Chief at his sole discretion until the industrial medical provider returns the employee to regular duty.

In keeping with the City's strong commitment to providing a work environment that is free of harassment, discrimination and retaliation, the City maintains a strict policy prohibiting harassment, discrimination and retaliation by or against any of its employees, applicants, volunteers, independent contractors, customers, invitees and members of the public. The City prohibits harassment in any form, including verbal, physical, or visual harassment.

The City will not tolerate discrimination or harassment based upon race, color, national origin, ancestry, sex, sexual orientation, disability, medical condition, marital status, age or religion. All employees are to be treated with dignity and respect. Employees who believe they have been discriminated against or harassed by a co-worker, vendor, volunteer or member of the public should report the allegation to their Department Head, the City Manager, or Human Resources. An investigation of the allegations will be conducted immediately, and appropriate disciplinary action

will be taken in the event that the allegations are substantiated.

Each employee is personally liable under the Fair Employment and Housing Act (FEHA) for unlawful harassment perpetuated by that employee.

False Claims: An employee who deliberately makes a false claim or charge of unlawful discrimination or harassment will likewise be subject to disciplinary action up to and including termination.

Retaliation: Any retaliation against a person for filing a discrimination or harassment charge or making a discrimination or harassment complaint or a person assisting in a discrimination or harassment investigation is prohibited. An employee found to be retaliating against another employee, volunteer or person in the act of volunteering shall be subject to disciplinary action up to and including termination. (See Appendix for Harassment, Discrimination and Retaliation Policy revised 02-9-06) (*CC Minutes 10-28-97, AB 1856; PPPM 5-13-.5*)

Section 4. Workplace Safety/Security

The City is committed to providing a work environment that is safe, secure and free of intimidation, threats and violence. The City maintains this commitment with a policy of “**zero tolerance**” to acts of violence, and by training its employees to recognize and effectively respond to violent/potential violent behavior in the workplace. All acts of violence or force, either threatened or actual, are prohibited and are met with disciplinary action, up to and including termination and criminal prosecution. (See Appendix for Workplace Safety/Security Policy revised as of 02-22-01) (*PPPM 5-2.7; 5-13.1; 5-13.2; 5-13.3; 7-2; 8-9.1; 8-9.2*)

Section 5. Workplace Safety, Security, Inspection and Access

To ensure a safe work environment, the City reserves the right, based upon reasonable suspicion, to inspect, search and access all property which is brought to or utilized by an employee in the workplace. This property includes, but is not limited to, offices, facilities, vehicles, desks, tool boxes, safes, lockers, files, file cabinets, closets, documents, computer data storage, voice and e-mail, internet use, telephones, electronic data, file and fax transmissions, and audio/video tape recordings. The City reserves the right to conduct searches described in this policy without notice or consent of the affected employee or that employee’s representative. Searches shall be conducted with the approval of the City Manager or designee, by the employee’s supervisor, law enforcement, and Human Resources. (*PPPM 8-9.2*)

Section 6. Tuberculosis (TB) Testing

The State and County require those employees in direct contact with children to be tested for tuberculosis once every four years. Fire suppression personnel are tested annually. (*PPPM 12-1.5*)

Section 7. Blood-borne Pathogens and Hepatitis B Vaccinations

Safety employees who can be “reasonably anticipated” to come in contact with contaminants and

potentially infectious materials through the performance of their work are subject to this policy. Safety employees in the following job classifications: Fire Captain, Fire Engineer, Firefighter/Paramedic, Firefighter and Auxiliary Firefighter are deemed to be within the group of employees that may have frequent contact with infectious materials. Employees who may have frequent contact are required to receive the Hepatitis B vaccination series. Vaccinations will be available to the employee within 10 working days of job assignment at no cost to the employee. Employees must sign a declaration form if they choose not to be vaccinated but may later opt to receive the vaccine at no cost. Should booster doses later be recommended, employees will be offered them at no cost to the employee. (*PPPM 12-4*)

Section 8. Additional Employment

Employees must report outside employment to the Fire Chief prior to the start of employment utilizing the City's "Additional Employment" form. The City Manager or Fire Chief may prohibit or restrict additional employment if it would bring discredit or embarrassment to the City, reduce the effectiveness of work as an employee of the City, create a conflict or perceived conflict with the employee's duties of the City or create a potential conflict when an employees' outside employment is related to employment matters of another City employee. Reasonable conditions may be attached to the approval of additional employment. Employees are expected to give priority to City work if called for emergency duty or required to work overtime. (*Res. #5969, XIV; PPPM 10-2*)

Section 9. Gambling

Gambling, or conducting games of chance is not permitted on City premises or on City time or by utilizing City property for on-line gambling. (*Res. #5969, XI.5, PPPM 5-13.1*)

Section 10. Gifts and Gratuities

City employees are prohibited from receiving personal gifts, including gratuities, from citizens, persons, or firms doing business with or being regulated by the City, or likely to do business with or be regulated by the City. (*Res. #5969, XI.5, PPPM 5-13-.1*)

Section 11. Use of City Vehicles

City vehicles shall be used for official business only, and only as authorized. Seat and shoulder belts are to be used at all times. Failure to follow this policy shall result in disciplinary action. Employees must have a valid California driver's license whenever they drive City vehicles or use their own vehicle for City business. (*PPPM 8-6.1 and 8-6.2*)

Section 12. No Smoking in City Vehicles

Smoking is prohibited in City vehicles or while operating City equipment. (*PPPM 8-6.6*)

Section 13. Use of Personal Vehicles

Employees shall be reimbursed for mileage while driving in personal automobiles on City business

at the rate approved by the City Council. This is for employees who use their own cars on official City business and who have a current “Automobile Insurance Affidavit” on file in Human Resources. Employees who drive a personal vehicle while on City business must complete an “Automobile Insurance Affidavit”. Each employee must identify whether they carry sufficient liability insurance of at least the following:

- \$50,000 injury per person
- \$100,000 bodily injury each occupant
- \$25,000 property damage each occupant **or**
- \$100,000 combined single limits

Employees who do not carry automobile insurance or do not have sufficient coverage are not permitted to drive their personal vehicles for City business.

City employees are prohibited from working on personal vehicles on City premises and using City equipment and supplies. Said work can only be done if it is approved in advance by the Fire Chief or his designee. (*PPPM 2-10, 8-6.4 and 8-6.5*)

Section 14. Bids for City Jobs

Employees may submit bids for City jobs. A conflict of interest would not exist so long as the employee was not in a position to determine who would be awarded the contract. (*PPPM 7-5.1*)

Section 15. Political Activities of Employees

No City employee will solicit, either directly or indirectly, political contributions, favors, etc. from other City employees on behalf of any political candidate. No City employee will use their position in the City to benefit any political candidate. No City employee will engage in political activities during working hours or while in uniform at any time. City employees are permitted to exercise their political rights like any other citizen during their off-duty hours when out of uniform. (*PPPM 7-7*)

Article XI. **Working Conditions**

Section 1. Injury and Illness Prevention Program

It is both policy and practice of the City of Santa Fe Springs to provide safe and healthful working conditions for all employees. Safety and health considerations must be a part of every operation. It is every employee’s responsibility at all levels. It is the intent of the City to comply with all laws. To do this, one must constantly be aware of conditions in all work areas that can create injuries. No employee is required to work at a job he/she knows is not safe or healthful. The detection of hazards by City employees and, in turn, controlling them, is a condition of employment. Supervisors must be informed immediately of any situation beyond the employee’s ability or authority to correct.

The personal health and safety of each City employee is of primary importance. Prevention of occupational injuries and illnesses is of such consequences that it will be given precedence over operating productivity, whenever necessary. To the greatest degree possible, management will provide all mechanical and physical safeguards necessary for personal safety and health, in keeping with the highest standards.

Management will maintain a health and safety program conforming to the best practices of municipalities. To be successful, such a program must embody proper attitudes toward injury and illness prevention on the part of supervisors and employees. It also requires cooperation in all safety and health matters not only between supervisor and employee, but also between each employee and his/her co-workers. Only through such a cooperative effort can a safety program in the best interest of all be established and preserved.

The City's objective is a health and safety program that will reduce the number of injuries and illnesses to an absolute minimum. The health and safety program will include:

- Providing mechanical and physical safeguards to the maximum extent possible.
- Conducting health and safety inspections to find, eliminate or control safety and health hazards as well as unsafe working conditions and practices, and to comply fully with the health and safety standards for every job.
- Training all employees in good health and safety practices.
- Providing necessary personal protective equipment and instructions for use and care.
- Developing and enforcing health and safety rules, and requiring that employees cooperate with these rules as a condition of employment.
- Promptly and thoroughly investigating every accident to find out what caused it and correcting the problem so it won't happen again.

The City recognizes that the responsibilities for health and safety are shared:

- The employer accepts responsibility for leadership of the health and safety program, for its effectiveness and improvement, and for providing the safeguards required to ensure safe conditions.
- Supervisors are responsible for ensuring that employees are trained in, and follow safe work practices, and that all operations are performed with the utmost regard for the health and safety of all personnel.
- Employees are responsible for complying with all rules and regulations and for using safe work practices while performing their duties. Employees also have the responsibility of informing their supervisor of hazards and are encouraged to make recommendations for increasing workplace safety. (*PPPM 8-1.2*)

Section 2. Training

Full-time equivalent (FTE) funds received from Rio Hondo Community College or Joint Apprentice Committee (JAC) funds shall be placed into a Fire Department training account. Any unused training funds from these two sources shall be rolled over to the following year's training budget. (*04-05 MOU*)

Article XII.

Layoff and Reductions in Force

Section 1. Layoff and Reductions in Force

Whenever it becomes necessary for one or more employees to be laid off because of lack of work or financial reasons, all non-regular employees in the affected classification shall be laid off before any regular employees and in the following order: emergency, provisional, and temporary. If additional reductions are necessary, regular employees in the affected classifications shall be laid off in reverse order of their seniority. If the person in one of the affected classifications has seniority over someone in a lower classification, the person with seniority may accept a voluntary demotion to a lower classification, if the employee is qualified for the classification. This process may continue until the person in the lowest classification with the least seniority will then be laid off. All employees laid off shall be given written notice of such layoff at least 10 working days prior to the effective date of the layoff. The City may exercise layoff and reductions in force rights unilaterally subject to the meet and confer process on the impact of such rights. (*PPPM 5-12.1 and 5-12.2*)

Section 2. Seniority and Bumping Rights

Full-time seniority shall be defined as regular full-time City service within the affected vertically related classifications, e.g., Firefighter, Engineer, Fire Captain, and Battalion Chief. Regular service time shall include probationary time in the affected classification if regular status has been acquired. Part-time hours accumulated in the City do not have consideration in full-time seniority calculations.

An employee “bumping” into a lower related classification shall occur on the basis of total seniority attained within a series of vertically related classifications. Vertically related classifications carry cumulative seniority downward and not upward. For example, an employee who has five years of seniority as a Captain, five years seniority as an Engineer and five years as a Firefighter (15 years in total) is in a senior position to an Engineer who has five years as a Firefighter and five years as an Engineer (10 years in total). An Engineer that has five years as a Firefighter and fifteen years as an Engineer (20 years in total), is in a senior position to the 15-Year Captain cited in the example above. Length of qualifying service, not rank, is the determining factor when calculating seniority.

Seniority calculations shall not include time on unpaid leave, time on inactive service, or time during breaks in City service. (*PPPM 5-12.2*)

Section 3. Layoffs – Call-backs

The names of regular and probationary employees laid off shall be placed on a reemployment list for the class of positions involved in the layoff. Persons on the list shall retain eligibility for reappointment for a period of three years from the date the name was first placed on the list. Recall shall be by inverse order, i.e., the most recent person laid off shall be first rehired. Persons reinstated shall return to the same position & step previously held. Persons who are on a reemployment list & have committed an offense while on layoff which would have been cause for termination will not be

reinstated. Any person who is refused reinstatement because of the commission of such an offense may appeal such action to the City Manager and to the Personnel Advisory Board. (PPPM 5-12.3)

Article XIII.

Appeal and Grievance Rights and Procedures

Section 1. Appeal Process

Any safety employee who has been subject to disciplinary action, excluding written or oral counseling, warning or reprimand, shall be entitled to appeal such action to the Fire Chief, Personnel Advisory Board and the City Manager, in accordance with Personnel Policy Section 11-3.1 (PPPM 11-3.1).

Section 2. Informal Hearing Procedure

The Informal Hearing Procedure, as opposed to the formal procedures, may be used in the City's sole discretion in any of the following circumstances:

1. When there is no disputed issue of material fact, or
2. When there is a disputed issue of material fact, but it is limited to:
 - a. A monetary amount of not more than one thousand dollars (\$1,000) or
 - b. A disciplinary action imposed on an employee that does not involve termination from employment, demotion, or suspension without pay for more than five (5) shifts or five (5) days.

This constitutes the sole Government Code section 11445.30 notice of hearing that states the Department's selection of the informal hearing procedure. Therefore, such notice shall not be repeated in conjunction with each hearing governed by the informal hearing procedure.

The Fire Chief or designee shall be the presiding officer and shall regulate the course of the proceeding. The presiding officer shall permit the parties to offer written or oral comments on the issues. The presiding officer may limit the use of witnesses, testimony, evidence and argument, and may limit or eliminate the use of pleadings, intervention, discovery, pre-hearing conferences and rebuttal.

The presiding officer may deny use of the informal procedure, or may convert an informal hearing to a formal hearing after an informal hearing is commenced, if it appears to the presiding officer that cross-examination is necessary for proper determination of the matter and that delay, burden or complication due to allowing cross-examination in the informal hearing will be more than minimal.

Pursuant to section 11445.50(b), the Fire Department has determined that cross-examination is not necessary for proper determination of the matters subject to review under the informal hearing procedure. However, the presiding officer may allow cross-examination of witnesses in an informal hearing notwithstanding the City's determination, if it appears to a presiding officer that in the circumstances cross-examination is necessary for proper determination of the matter. (Section

11445.50(b).)

If the presiding officer has reason to believe that material facts are in dispute, the presiding officer may require a party to state the identity of the witnesses or other sources through which the party would propose to present proof if the proceeding were converted to a formal hearing procedure. If disclosure of a fact, allegation or source is privileged or expressly prohibited by a regulation, statute or the federal or state constitution, the presiding officer may require the party to indicate that confidential facts, allegations or sources are involved, but not to disclose the confidential facts, allegations or sources. (Section 11445.60(a).)

If a party has reason to believe that essential facts must be obtained in order to permit an adequate presentation of the case, the party may inform the presiding officer regarding the general nature of the facts and the sources from which the party would propose to obtain the facts if the proceeding were converted to a formal hearing procedure. (Section 11445.60(b).)

Section 3. Formal Hearing Procedure:

The formal appeal shall be conducted in procedural compliance with section 11500 et. seq. Pursuant to section 11512, the City has determined that, in those instances where a formal hearing is required, the City shall continue to hear the case through pre-existing processes (i.e., via the Personnel Advisory Board) with an administrative law judge (ALJ) present during the consideration of the case. (Section 11517(b).) The proceedings governing such an appeal are set forth in detail below.

The following procedure will be followed in the conduct of a formal administrative hearing:

- A. Within 10 calendar days of the receipt of a written Notice of Intent to Suspend, Demote or Dismiss, the employee may submit a written response to the disciplinary action to the Fire Chief or designee. The employee shall set forth all the facts necessary to understand the issues involved. The response shall be signed by the employee and shall be submitted to the Fire Chief's office within 10 calendar days. In lieu of a written appeal, the employee may request a (*Skelly*) meeting with the Fire Chief to make his/her response verbally.
- B. Within 10 calendar days following the receipt of the employee's response, the Fire Chief or designee will set a date and time for the pre-disciplinary (*Skelly*) meeting.
- C. If the response is submitted in writing, the Fire Chief will give consideration to the matter and inform the employee in writing within 20 calendar days, as to whether the intended disciplinary action has been affirmed, revoked or modified.
- D. Following conclusion of a pre-disciplinary (*Skelly*) meeting by the Fire Chief or designee, where the resultant punitive action results in the imposition of punitive action within the jurisdiction of this formal hearing process, the City shall serve the employee with a final Notice of Discipline. At a minimum, Notice of Discipline shall include a post card or other form of notice which, when signed by or on behalf of the employee and returned to the City, will acknowledge service of the Notice. The Notice shall also state that the employee's request for a hearing must be received by the City within fifteen (15) calendar days after the

Notice is personally served or mailed. (Please refer to section 11505 for what should be included in the Notice of Discipline.)

- E. The employee may file an appeal of the disciplinary action to the Personnel Advisory Board (Board) by submitting an appeal to the Human Resources Office within fifteen (15) calendar days of being served with the Notice of Discipline. The appeal shall constitute a request for a hearing, any objection to the factual basis for the discipline, objection to the form of the Notice of Discipline, procedural objection, or any other grounds for defense. (See section 11506 for what should be included in a Notice of Defense by the employee.)
- F. Upon receipt of the request from the employee, the Human Resources Office shall set the matter for hearing before the Personnel Advisory Board (Board) as expeditiously as possible and shall give the employee and his representative written notice of the time and place of the hearing.
- G. The Board will conduct the hearing(s) as it deems necessary to determine the pertinent facts related to the disciplinary action with the ALJ presiding. (Section 11512.) The ALJ shall rule on the admission and exclusion of evidence and on matters of law. The Board shall exercise all other powers relating to the conduct of the hearing, but may delegate any or all of them to the ALJ. Such hearing(s) will be closed to the public unless the employee requesting the hearing(s) requests in advance that the hearing(s) be open to the public. The employee(s) and Fire Department representative(s) shall have the right to appear before the Board during such hearings and may have counsel present. If either party appears before the Board, both shall be present.

Conduct of Formal Hearing

- 1. A record of the hearing shall be made and kept by use of a certified shorthand reporter who shall be selected by the City. The per diem fee of the shorthand reporter shall be borne by the City. The costs of transcription shall be borne by the party ordering the transcript.
- 2. All fees and expenses of the ALJ shall be borne by the City.
- 3. All fees and expenses related to the securing of a representative and/or legal counsel, witness fees and other expenses attendant to the presentation of evidence, shall be borne by the party at whose direction said expense is incurred.
- 4. At the time set for the hearing, the Board, with the assistance of the ALJ, shall hear, *de novo*, and consider the evidence presented on behalf of the appointing authority which purportedly constitutes the grounds for the disciplinary action. The employee shall have the right to cross-examine any witness called. Thereafter, the employee shall be given the opportunity to present any competent and relevant evidence and to be represented by an attorney or other person, employed at such employee's expense, in a representative capacity.

5. Proceedings before the Board need not be conducted in strict conformity with the rules of evidence as applied in a court of law, but all parties shall observe the substance of the rules of evidence, to the end that the matter may be fully heard and determined upon reliable evidentiary matter. Hearsay that would be inadmissible in a civil or criminal proceeding cannot in and of itself support a finding by the hearing officer without corroboration. In general, the hearing officer shall admit evidence, including hearsay, which is of such reliability that reasonable persons rely upon it in the conduct of serious matters such as the hearing.
 6. The burdens of proof and production of evidence on the charges shall be borne by the Department. The standard of proof shall be by a preponderance of the evidence. The employee will have the burden of proof on any affirmative defenses.
 7. The ALJ shall rule on all questions pertaining to procedure, in connection with hearings held before the Board and the administrative law judge, provided that the Board shall retain the right to overrule the ALJ on any determination made by majority vote.
 8. No later than ten (10) days prior to the date of commencement of the hearing the parties shall exchange lists of witnesses each intends to call at the hearing, and a list of documents it intends to introduce at the hearing. Copies of such documents shall be attached to the list provided for herein. They shall be served on opposing side on or before the tenth (10th) day prior to commencement of the hearing. Absent a showing of good cause, failure to comply with these requirements shall result in exclusion of witness testimony and/or rejection of exhibits not designated in the submissions. These disclosure requirements do not apply to rebuttal witnesses. Neither party to the proceedings shall issue threats or take other actions reasonably calculated to discourage an identified witness from either testifying or from testifying other than consistent with the witnesses' best recollection and honest belief as to matters within his/her knowledge. However, the act of interviewing a witness shall not in and of itself be deemed violative of this section.
 9. The Board and/or the ALJ shall be empowered to issue subpoenas for the production of persons and documents. The Board and/or the ALJ shall designate the subpoena form to be utilized in such case. The California Code of Procedure, Evidence Code and other applicable statutes shall apply to the validity and processing of subpoenas and to the method of service of the same.
- H. The Board shall prepare and certify its findings and recommendations in writing and submit them to the City Manager for review. The Secretary of the Board shall give written notice to the employee and the Fire Chief of its determination. A copy of the findings and recommendations shall be provided to the employee.
- I. The Board, with the assistance of the ALJ shall recommend to the City Manager to affirm, reverse or modify the decision appealed. The City Manager's decision shall constitute final administrative action by the City.

- J. Within 21 calendar days of receiving the Board's written findings and recommendations, the City Manager will issue his/her decision adopting, rejecting or modifying the discipline. The City Manager's decision shall become effective thirty (30) days after delivered or mailed to the employee.
- K. Continuances - A party shall apply for any continuance within ten (10) working days following the time the party discovered or reasonably should have discovered the event or occurrence which establishes good cause for the continuance. A continuance may be granted for good cause after the ten (10) working days have elapsed if the party seeking the continuance is not responsible for and has made a good faith effort to prevent the condition or event establishing the good cause. (Section 11524.)
- L. Judicial Review - Judicial review of the City Manager's decision shall be sought within the time constraints of California Civil Procedure section 1094.6 (mandating that a petition for peremptory writ of mandate shall be filed not later than the 90th day following the date on which the City Manager's decision is mailed by first-class mail, postage pre-paid, including a copy of the affidavit or certificate of mailing).

Article XIV.

The City and Association mutually agree that differences shall be resolved without interruption in work. During the terms of this agreement, neither the Association, its officers or agents or any employees will for any reason authorize, condone, encourage or engage in a work slowdown or

Regardless of the waiver contained in this paragraph, the parties may, by mutual agreement, and in writing, agree to meet and confer by any matter during the term of this MOU.
