GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Santa Fe Springs
California**

For the Fiscal Year Beginning

July 1, 2020

Christopher P. Morill

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **City of Santa Fe Springs, California**, for its Annual Budget for the fiscal year beginning **July 1, 2020**. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

June 29, 2021,

Honorable Mayor and City Council:

I am pleased to present the proposed operating budget for the City of Santa Fe Springs for the fiscal year ("FY") 2021-22. This budget document provides the foundation for our work plan and, most importantly, the commitments to our residents and business community. As a financial document, this budget presents our best assumptions for revenues and expenditures for the next year of service. As a policy document, it presents the Council's unwavering commitment to providing resources towards improving the quality of life for our community.

This past year and a half not only upended our personal lives, it upended our organization's budget, services, and programs. But, we have persevered and we are beginning to see shades of normalcy during the most unprecedented event in recent history – the COVID-19 pandemic. Our financial position is the strongest it has been over the last several years – we are currently anticipating an approximately \$7.0 million General Fund operating surplus for FY 2020-21; public services remained uninterrupted, even during the height of the pandemic; and while programs were delivered in an innovative manner during the Stay at Home orders, our in-person programs are slowly returning. Under the direction of the City Council, we welcomed our employees back on site full time and have also welcomed our community members back at City Hall. This budget reflects the post pandemic program and project priorities; within the City's framework of an improved financial position.

We must now begin to shift our focus to realizing our long-term goals – such as, bridging the digital divide in our community; restoring staffing levels to where they need to be in order to provide effective and efficient services; addressing our pension and OPEB unfunded liabilities; establishing an effective training program for our employees (Santa Fe Springs University); seeking alternative sources of revenue to establish a reliable and consistent funding source for our capital improvement projects; enhancing and modernizing our IT infrastructure for our community and for our employees; and, lastly, seeking alternative and more reliable water resources. These are the challenges that we, as an organization, are facing. As such, we will be steadfast and proactive in addressing them. The FY 2021-22 proposed operating budget has dedicated resources to begin to address each challenge in this upcoming fiscal year.

The FY 2021-22 General Fund spending plan includes revenues totaling \$64.9 million and expenditures of \$61.8 million. The recommended budget has an estimated budget surplus of approximately \$3.1 million, which we are recommending to use to further

increase the unassigned fund balance from \$24.1 million to \$27.2 million or 44.0% of our operating expenditures. This is a stark difference than the financial uncertainty our organization was facing a year ago. Our revenues are trending favorably and staff is conservatively anticipating a \$10.1 million increase to our revenues, when compared to the revenue figures for FY 2020-21 (\$64.9 million vs. \$54.8 million). While we remain hopeful and optimistic about the future financial trends, staff will continue to closely monitor our revenues and any adverse fluctuations in expected trends.

These revenue increases have provided resources to begin to address several organizational needs. Our spending plan for this upcoming fiscal year includes: \$2.8 million funding for the Capital Improvement Projects Fund; \$1.1 million for the replacement of large and specialized City vehicles; approximately \$1.0 million for thirty-three proposed position adjustments throughout our seven departments in order to improve the delivery of programs and services to our community; \$1.0 million for labor-related increases resulting from labor negotiations – this will mark the first time in several years that our employees will receive a cost of living adjustment; approximately \$800,000 for refurbishments of public facilities, replacements of furniture in public facilities and internal process improvements; over \$400,000 in several IT upgrades and enhancements; and, lastly, \$25,000 is included in this year's budget to launch the Santa Fe Springs University for our employees during this fiscal year.

	Actual FY 2018-19	Actual FY 2019-20	Adopted FY 2020-21	Adopted FY 2021-22
Sources				
Estimated General Revenues	\$ 52,837,291	\$ 66,019,464	\$ 54,809,500	\$ 64,864,570
Total Sources	<u>52,837,291</u>	<u>66,019,464</u>	<u>54,809,500</u>	<u>64,864,570</u>
Uses				
Department Expenditures	44,896,086	46,171,167	52,616,850	57,337,100
Non-Recurring Expenditures	643,482	1,161,379	1,287,900	1,663,500
Capital Improvement Program Funding	<u>3,800,000</u>	<u>2,800,000</u>	<u>2,800,000</u>	<u>2,800,000</u>
Total Uses	<u>49,339,569</u>	<u>50,132,546</u>	<u>56,704,750</u>	<u>61,800,600</u>
Operating Surplus / (Deficit)	<u>\$ 3,497,722</u>	<u>\$ 15,886,918</u>	<u>\$ (1,895,250)</u>	<u>\$ 3,063,970</u>

Although there are long-term financial challenges (pension and OPEB unfunded liabilities) that can potentially compromise our position, as we see it today, our long-term financial position is stable and will remain that way barring any unforeseen economic downturns that are out of the City's control.

As we move forward though, there is a lot more left to accomplish together. We have endured a global pandemic that has changed our society and will continue to have impacts on our daily lives. Nevertheless, I am encouraged by our City's resilience and our staff's dedication. Navigating a global pandemic is not an easy feat and we were able to do so. This upcoming fiscal year will indeed mark a change of focus for our organization. We went from facing uncertainty on more than one front last year to anticipating an operating surplus after funding several critical organizational needs and moving closer to normalcy.

None of this would have been possible without the City Council leadership and the dedication of our staff. I want to thank the City Council for their exceptional efforts, their understanding and their commitment to working together to move our community forward. I would also like to thank the Executive Management Team and their staff for their time and effort in preparing this year's operating budget and the Finance Department for their dedication and efforts.

This will indeed be a recovering year and we will continue the constant pursuit of our City's mission to deliver exemplary public services responsive to our entire community and consistent with our history, culture and unique character.

Respectfully Submitted,

Raymond R. Cruz
City Manager

Organizational Chart

City of Santa Fe Springs

CITY PROFILE

The City of Santa Fe Springs provides a full range of municipal services, including: police and fire protection, the construction and maintenance of streets and other infrastructure, water utilities, recreational activities, public library and cultural events. Additionally, the City is responsible for two other legally separate entities which include the Successor Agency to the Redevelopment Agency and Housing Successor Agency to the Housing Authority

The urban development of Santa Fe Springs began in the early 1950's as the result of a planned effort by a coalition of business community members and local residents. During the ensuing years, community pressures resulted in the incorporation of the City on May 15, 1957. The new City covered 4.9 square miles with a population of 11,787. The City of Santa Fe Springs now encompasses nine square miles, with about 84% of the land zoned for commercial and industrial use. The City's population is approximately 18,300; however, the daytime population is estimated at 95,000.

The City of Santa Fe Springs operates as a general law city under the council-manager form of government. Five City Council members are elected at-large for alternating four-year terms. The Mayor is selected annually from among the five members of the City Council. The City Council is responsible for the City's ordinances, operating resolutions, budget adoption and appointment of committee members. Overall, there are 11 standing committees, boards and commissions that provide input to the City Council. Among these are the Planning Commission and the Traffic Commission. The City Manager is responsible for administering the policies and directives approved by the City Council. The City Manager appoints the Executive Management Team, which is comprised of the Director of Finance & Administrative Services, Fire Chief, Director of Community Services, Director of Planning, Director of Police Services, and Director of Public Works.

The information presented in the operating budget and the City's financial statements is best understood when it is considered from the broader perspective of the specific environment within which the City operates.

LOCAL ECONOMY

The City of Santa Fe Springs is strategically located in southeast Los Angeles County with access to major seaports, airports and transportation corridors. The City is home to approximately 3,000 businesses with the top 30 businesses generating close to 50% of the City's total sales tax revenue.

The City's sales tax base is comprised of businesses within the following categories: Business and Industry (Manufacturing and business-to-business sells), Building and Construction, Autos and Transportation, General Consumer Goods, Fuel and Service Stations, Restaurants and Hotels and Food and Drugs. Close to two-thirds of the total sales tax revenue is generated by manufacturing and construction businesses. In the past couple of years, the City's businesses have seen a growth in sales and has translated into increases in the City's sales tax. With the vast majority of the City zoned for commercial and industrial use, Santa Fe Springs has historically experienced strong development and redevelopment activity in the community.

The City's largest revenue sources in the General Fund are sales tax, the transaction and use tax (Measure Y), and the utility users' tax (UTT). The City's voters approved the additional 1% transactions and use tax (Measure Y) on November 2018, which became effective April 1, 2019. The additional tax has broadened the City's revenue base and added over \$10 million in General Fund revenue.

Although the COVID-19 pandemic and its economic impact were felt throughout our nation, the City was fortunate that our Sales Tax base was relatively unaffected by the pandemic as it had little to no effect on

our revenue stream. In fact, the Stay-at-Home orders generated greater than anticipated online sales which played a pivotal role in the City's increased Sales Tax revenue. While the Sales Tax generated in the previous fiscal year was the highest the City had ever generated, the current fiscal year's Sales Tax is anticipated to surpass what was previously generated. The Sales Tax revenue and its growth are critical to the City's financial position as it represents nearly half of all of the City's General Fund revenues.

Additionally, this is the second full year of collecting the voter-approved Transaction & Use Tax (Measure Y) and its trend is very favorable for the City. Measure Y has alleviated some of the financial burdens that have threatened the City's strong financial position. Even during a global pandemic, Measure Y continues to be a consistent and reliable stream of revenue for our City. The Sales Tax and Measure Y combined represent over two-thirds (68%) of the City's General Fund revenues.

The City is now in a position to accomplish its long-term goals given the City's financial resiliency during the pandemic. The City's General Fund revenues have increased by 18.3% in comparison to last fiscal year budget revenue figures (\$64.9 million vs. \$54.8 million). These increases have allowed the City to fund several operational needs and will allow the City's financial position to remain stable barring any unforeseen economic downturns that are out of the City's control.

Financial Outlook

An important aspect of understanding the City's financial position is taking a multi-year approach to analyze revenue and expenditure trends over time. The City developed the General Fund Five-Year Forecast to serve as the foundation of the budget. The Forecast enables the City to evaluate its fiscal condition and to help guide policy and budget decisions. Development of a financial forecast as part of the budget development process has been identified as a best practice by the Government Financial Officers Association (GFOA).

The Forecast takes a forward look at the City's General Fund revenues and expenditures and will be updated on a regular basis. Its purpose is to identify financial trends, potential shortfalls, and other challenges so the City can proactively address them and budget accordingly. It does so by projecting out into the future the fiscal results of continuing current service levels and policies. This process helps to provide a snapshot of what the future will look like as a result of the decisions made to date.

This forecast is not a budget, nor a proposed plan. Instead, it sets the stage for the upcoming budget process and is a tool in facilitating the City Council and City Manager in establishing priorities and allocating resources appropriately.

Overall, the General Fund revenues are demonstrating a strong growth, although this will more than likely subside within the next couple of years similar to the economic growth economist are expecting. In addition, the revenues are conservatively projected and reflect an overall growth of 3.3% across all General Fund revenues over the next five years. The sales tax and measure Y are projected to grow at an average of 3.9% and 3.8% respectively over the next five years.

In addition to the revenue growth, the forecast also takes into account anticipated increases in labor costs due to negotiated salary increases, new positions and increases to the City's pension obligations. The City recently agreed to provide salary increases to three of its labor associations. The impacts of these increases as well as the new positions added to the budget have been included in the forecast. Additionally, given

recent volatility in financial markets, CalPERS did not achieve its assumed investment rate of return of 7%, which will translate into increases to the City's total Unfunded Liability as well as the annual UAL payment to CalPERS:

The forecast presented below reflects staff’s best estimate for revenues and expenditures based on current trends and known factors such as salary increases resulting from negotiations and increases to the City’s pension obligations.

The financial outlook for the General Fund over the next several years is stable. As such, Santa Fe Springs is expected to maintain the City's high quality services over the next five years, if the economy continues to perform as expected and barring any unforeseen economic declines. The largest threat to the City's financial position is an unexpected recession and/or CalPERS failing to meet its discount rate and in turn causing increases to the City's pension obligations. Additionally, while all the years presented in the forecast show an annual operating surplus, the projected annual surplus over the years will diminish (FY 2021-22: \$3.1 million vs. FY 2025-26: \$2.0 million). It will be imperative for the City to make prudent decisions that can preserve the long-term sustainability of the General Fund. Staff will also continue to monitor economic indicators and will plan accordingly should there be any fluctuations on expected financial results.

VISION, MISSION, AND GUIDING VALUES

The City has a vision statement that affirms: “The City of Santa Fe Springs is a great place to live, work and play,” with the following mission statement: “The City of Santa Fe Springs is committed to enhancing the quality of life of its residents and businesses by providing: a safe environment, a thriving business community, quality family, youth, and senior services, and sound financial management of the community’s resources.” The guiding values are as follows:

- Personal integrity, honesty, and ethics
- Public service
- Compassion
- Responsibility, accessibility, and accountability
- Dedication

CITY COUNCIL PRIORITIES

The City Council conducted a workshop earlier this year to develop the City’s top priorities. The top priorities will provide a working framework in which staff will align all efforts and resources needed to accomplish these priorities and make positive progress for the Santa Fe Springs community. These priorities included:

City Council Priorities
Invest in Wi-Fi technology and capability at all City facilities and underserved neighborhoods
Make improvements to City Hall and its parking lot
Provide a kiosk at City Hall (and other payment options) for bill payments and citizens services
Prepare an economic attraction plan for restaurants and explore the opportunity to bring in a supermarket
Consider a Truck Bay/Parking Tax for the 2022 election
Establish an alternative and more reliable water sources

During his fiscal year and for the next several years, the staff will strive to leverage resources in an attempt to accomplish these priorities. Some, like the economic attraction plan and seeking alternative reliable water sources, will be a multi-year effort while others will be achieved within the immediate future. Embedded within FY 2021-22 Adopted Budget is funding for some of these priorities are found throughout the various Departmental activities and within the Capital Improvement Program (CIP) (City Hall parking lot improvements). Additionally, the top priority for Council is to acquire the technology and capability to provide Wi-Fi at all City facilities. During the last fiscal year, the City developed the Wi-Fi master plan and the implementation of the plan will occur during the FY 2021-22.

FINANCIAL PLANNING, POLICIES AND GUIDELINES

Meeting the service level demands of the community while ensuring the City's financial stability, has challenged the City to develop new strategies to balance both. Some key elements in providing long term stability include: partnering with the City's various bargaining units to share the burden on pension and benefit costs, seeking new revenue enhancements and economic development opportunities, implementing innovative practices to the City's operations, refinancing existing debt, adjusting water rates to keep pace with increasing expenditures, and partnering with the City of Whittier to provide Police Services. In addition, the City has developed and established several financial best practices and guidelines.

The information in the following section is based on longstanding City policies, practices, and recommendations developed by various government finance associations including the International City and County Managers Association (ICMA), Government Finance Officers Association (GFOA) and California Society of Municipal Finance Officers (CSMFO).

Budget Guidelines

It is the City's commitment and intention to adhere to the following budget guidelines:

- The City will strive to maintain an unassigned fund balance of at least 40% of operating expenditures, excluding transfers, in the General Fund. Given the City's revenue base and its volatility during economic downturns, the 40% is considered the minimum level necessary to maintain the City's credit worthiness and to adequately provide for sharp declines in operating revenues, sustain General Fund operations, and/or to offset budget deficits whether structural in nature or not;
- The City will avoid budgetary strategies that balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures, accruing future years' revenues, or rolling over short-term debt;
- City staff will strive to present annually to the City Council a balanced budget, meaning ongoing operating revenues match ongoing operating expenditures, for adoption;
- Budgetary and accounting procedures will conform to Generally Accepted Accounting Principles (GAAP) for government agencies;
- The budget will provide for adequate funding of retirement obligations in accordance with contractual commitments;
- The City will maintain a budgetary control system to assist staff with adhering to the budget guidelines;

- The City will monitor departmental budgeted expenditures versus budget appropriations;
- All requests for City Council action which have a fiscal impact, where appropriate, on the City and/or its various funds shall be reviewed by the Finance Department before such requests can be included within the City Council agenda; and
- The City of Santa Fe Springs utilizes a modified and accrual basis for Accounting & Budgetary financial purposes.

Revenue Guidelines

- Staff will estimate City annual revenues by an objective, conservative and analytical process;
- Staff will prepare revenue projections and a financial forecast as part of its long-term financial planning;
- The City will strive to establish user charges and fees in order to recover the cost of providing the services to reflect the impact of inflation and other cost increases.

Investment Policy

The intent of the Investment Policy is to define the parameters within which funds are to be managed. The City will invest its funds in such a manner as to comply with applicable state laws (California Government Code Section 53600, et seq. and 53630, et seq.), ensure prudent money management, provide for daily cash flow needs, and meet the City's investment objectives. The primary objectives, in priority order, of the investment activities of the City are:

1. Safety – Safety of the principal is the foremost objective of the investment program. Investments will be undertaken in a manner that seeks to ensure preservation of capital in the portfolio;
2. Liquidity – The investment portfolio will remain sufficiently liquid to enable the City to meet its cash flow requirements;
3. Return on Investment – The investment portfolio will be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into consideration with the investment risk constraints of safety and liquidity needs.

The Investment Policy applies to all funds and investment activities of the City except for the investment of bond proceeds, which are governed by the appropriate bond documents, and any pension or other post-employment benefit funds held in a trust that has a separate investment policy. The Policy outlines the authorized and suitable investments for the City.

The Finance Department staff, with assistance from the City's investment advisor, analyze the portfolio and act to maximize earnings while safeguarding assets and maintaining liquidity. On an annual basis, staff conducts an evaluation of the City's Policy to determine compliance with applicable federal and state regulations and with industry standards and best practices to determine if any enhancements or newly adopted rules and regulations are required to be incorporated within the Policy. Based on these regular staff evaluations annual updates and revisions to the investment policy may be recommended.

Debt Management Policy

The Debt Management Policy establishes the parameters within which debt may be issued and administered by the City of Santa Fe Springs (the "City"), the Santa Fe Springs Public Financing Authority, the Santa Fe Springs Water Utility Authority, and the Successor Agency to the Community Development Commission of the City of Santa Fe Springs (collectively, the "Covered Entities"). The Policy strives to comply with Government Code Section 8855(i) and to:

- Maintain the Covered Entities' sound financial position;
- Ensure the Covered Entities have the flexibility to respond to changes in future service priorities, revenue levels, and operating expenses;
- Protect the Covered Entities' credit-worthiness;
- Ensure that all debt is structured in order to protect both current and future taxpayers, ratepayers and constituents of the Covered Entities;
- Ensure that the Covered Entities' debt is consistent with their planning goals and objectives and capital improvement program or budget, as applicable.

The Policy also establishes purposes for which debt may be issued, outlines the different types of debt that may be issued, details what constitutes long-term and short-term debt and the circumstances in which the City can either issue long-term or short-term debt as well as financings on behalf of other entities.

Financial Practices and Guidelines

The following financial practices articulate the premises of guidelines for which the City adheres to on various financial transactions the City may enter into during the course of its day-to-day operations.

- The accounting system will maintain the City's financial records on a basis consistent with Generally Accepted Accounting Principles (GAAP) applicable to local government along with adherence to the current GFOA and CSMFO best practices if applicable;
- Financial Reports will be generated, on a monthly basis detailing the City's Revenues and Expenditures for both a summary and detail basis;
- The Comprehensive Annual Financial Report (CAFR) will be prepared at the end of each fiscal year to account for the City's financial transactions for the year;
- In accordance with state law, an Investment Report will be prepared on a quarterly basis to account for the amounts, placements, and yields of the City's invested funds;
- In accordance with state law, an independent firm will perform an annual audit of the financial statements of the City and will publicly issue an opinion therein.

FUND BALANCE & FUND DESCRIPTIONS

The City generates fund balance (or accumulation of operating surpluses) during years when revenues exceed expenditures. There are five major fund balance categories that the Governmental Accounting Standards Board (“GASB”) created in its GASB 54 pronouncement: Nonspendable, Restricted, Committed, Assigned and Unassigned.

- Nonspendable: amounts not in spendable form or are legally or contractually required to be maintained intact. Examples include: inventory, notes and loans, prepaid items and/or advances.
- Restricted: portions of fund balance that are externally imposed by grantors, contributors or laws or regulations of state or federal governments or imposed by law through constitutional provisions or enabling legislation. Examples include: federal and state grants for a specific purpose and/or restricted donations or contributions.
- Committed: amounts constrained to specific purposes by a governments itself, using its highest level of decision-making authority (City Council), and remains binding unless removed in the same manner. Examples include: Capital projects and/or contractual obligations.
- Assigned: amounts a government intends to use for a specific purpose but are neither restricted nor committed; intent can be expressed by the governing body, or by an official or body to which the governing body delegates the authority. Examples include: Economic Contingency Reserve, Unfunded Liability Reserve, Equipment Replacement Fund, Employee Benefits Fund and/or Insurance/Risk Management Reserve.
- Unassigned: amounts available for any governmental purpose.

It is the City’s policy to maintain an unassigned fund balance of at least 40% of operating expenditures, excluding transfers, in the General Fund. Given the City’s revenue base and its volatility during economic downturns, the 40% is considered the minimum level necessary to maintain the City’s credit worthiness and to adequately provide for sharp declines in operating revenues, sustain General Fund operations, and/or to offset budget deficits whether structural in nature or not.

FUND ACCOUNTING STRUCTURE

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Santa Fe Springs, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with legal requirements. All of the City funds can be divided into three categories: governmental, proprietary and fiduciary.

Governmental Fund Type

Governmental activities – normally supported by taxes and intergovernmental revenues – are reported separately from proprietary funds (business-type activities), which rely to a significant extent on fees and charges. Governmental funds are the largest of the City’s three fund types and consist of the following:

- *General Fund* – The City’s primary operating fund. Revenue not allocated by law or contractual agreement to a specific fund are accounted for in the General Fund, which includes sales taxes, property taxes, utility users’ tax and other taxes and miscellaneous revenues.
- *Special Revenue Funds* – Account for proceeds from specific revenue sources (other than trusts or major capital projects) restricted to specific expenditure purposes.
- *Capital Funds* – Accounts for monies used to acquire or construct major capital facilities (other than those funded by proprietary or trust funds).

Proprietary Fund Type

Proprietary funds account for operating revenues and expenses generally resulting from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. Rate charges are set to recover the costs of providing the services. The City currently has one Enterprise fund – the Water Utility fund.

Fiduciary Fund Type

This fund type accounts for assets held by the City in a trustee capacity or as an agent on behalf of others. The City has two types of Fiduciary funds:

- *Private-Purpose Trust Fund* – Accounts for the custodial responsibilities assigned to the Successor Agency pursuant to the Dissolution Act;
- *Agency Funds* – Accounts for special assessments received by the City as an agent for payment of Assessment District bonds and/or Community Facilities District debt and expenses.

CURRENT DEBT OBLIGATIONS

Local governments typically issue debt to finance non-operating items such as the construction costs of capital projects in their annual budget. Prudent debt management requires these capital investments in City infrastructure improvements, public buildings, and other facilities to be scheduled properly so as not to overload the City's debt service ability. For example, bond issues are carefully sized, structured, and timed for the most opportune entry into financial markets.

The table below demonstrates the City's long-term debt obligations. Projected payments for the capitalized lease obligations for the next five years will come from the General Fund.

Debt management is a strategic initiative because capital budgets tend to be larger than operating budgets. The City's debt management strategy is to balance sources of debt funding, constrain bonded indebtedness, and support needed investment in capital facilities so that Santa Fe Springs remains a desirable location for residence, employment, and investment.

California Government Code, Section 43605 sets the debt limit for the City at 15% of the assessed value of all real and personal property of the City. Because this Code section was enacted when assessed value was 25% of market value, the limit is calculated now at one-fourth of that amount or 3.75 percent. For details on current General Fund debt service levels as a percent of budget and for where the City stands on the State's legal debt margin, see the Comprehensive Annual Financial Report's (CAFR) Statistical section for the Computation of Legal Debt Margin information.

Although the City does not have any general obligation debt (repaid from taxes or revenue from general operations) that impacts its debt limit, the City does have other debt obligations that impact its cash flow and that need to be paid. These include long-term debt service bonds such as tax allocation bonds and water revenue bonds as listed in the table below.

**City of Santa Fe Springs
Five-Year Debt Service Schedule**

Debt Obligations	FY 2021-22	FY 2022-23	FY 2023-24	FY 2024-25	FY 2025-26

Total Uses	61,800,600	3,660,400	929,500	15,756,200	82,146,700
Surplus / (Deficit)	3,063,970	2,470,500	(929,500)	-	4,604,970
Ending Fund Balance	\$ 35,814,510	\$ 8,762,296	\$ 5,075,996	\$ 19,114,315	\$ 68,767,117

Total Citywide budgeted appropriations for FY 2021-22 amount to \$82.2 million and the pie chart on the next page illustrates where the funding will be expended. Total appropriations this fiscal year increased by 6.9% when compared to FY 2020-21 due primarily to increases in the General Fund and the Water Utility Fund. As illustrated above, the General Fund is the largest fund with total expenditures of \$61.8 million or 75% of all appropriations to fund programs and services through the City's various departments followed by the Water Utility Fund at \$15.8 million or 19% of the total Citywide budget.

FY 2021-22 CITYWIDE BUDGET: \$82.2 MILLION

Special Revenue Funds are monies that can only be used for certain specific purposes as defined by law or administrative action. Allocation of funds will have a series of guidelines that the recipients must follow. Most special revenue funds are either grants from the state and federal governments designed for a variety of purposes from public safety to transportation funds, or to account for funds expended under specific purposes such as the Waste Management fund. The funding from these funds help offset expenses incurred within the General Fund activities. The City has a total of thirteen special revenue funds, but not all have budgeted expenses for FY 2021-22.

All special revenue funds are grouped as a component of the larger Total City Budget. As a whole, the special revenue funds, represent a total of 5% or \$3.7 million of the Citywide operating budget. More than half of the special revenue budget is for the Waste Management (next page) activities followed by County Transit funds (15%), such as, Proposition A and the Art in Public Places fund (13%), which helps offset the expenditures associated with running the Public Art & Art Education program.

The table above and on the next page summarizes the sources (revenues) and uses (expenditures) for each special revenue fund.

Internal Service Funds are established to account for any activity that provides goods or services to other funds or departments of the City on a cost-reimbursement basis. Embedded within the departments' various activities (cost centers) are equipment replacement charges for the eventual replacement of vehicles used by the departments. These charges are for the maintenance, repair, and replacement of City vehicles and other gasoline or diesel-powered equipment.

While the Equipment Replacement Fund operates on a cost-reimbursement basis, the City has a long-term practice of setting aside surplus funds to address the needs of the organization whether it is through the insurance stabilization fund (to address any significant increases to the City's liability and/or workers compensation rate) or the employee benefits fund (to address the compensated absences liability).

-----------------------	---------	---------	---------	---------

The City's current positive financial position enabled the City to fund several significant efforts tied to improving the organization and addressing some of the operational challenges. The focus on this year's budget was to add and reclassify positions that play a pivotal role in enhancing operations and in the implementation of new and existing programs and services. The City added a total of twelve new positions. These new positions include: Storekeeper, Administrative Assistant I/Receptionist, Senior Accountant, Traffic Engineer, Assistant Civil Engineer, two Assistant Traffic Signal Lighting Technicians, two Water Meter Readers, Facility Lead Worker, and two Maintenance Workers. In addition to these new positions, there were several position adjustments made in order to adjust certain classifications with market levels and to provide a higher level of service for both the community as well as the organization.

BUDGET DEVELOPMENT & CALENDAR

The City's annual budget is prepared on a July 1st to June 30th fiscal year. The budget process is a perpetual and iterative operation that includes phases of development, adoption, implementation, adjustment, and oversight throughout the year.

While the City uses an activity based line-item budget, there are multiple different strategies and techniques that the City employs in the development and management of the budget. At a strategic level, there are citywide organizational goals and priorities that lay the foundation on which the budget is built upon. These goals and priorities are then translated into specific activities. These activities become the cost centers that receive fund allocations and are assigned to designated departments. Within the activities are line-items or accounts that help establish internal controls that guide the day-to-day financial management. The budget sheets found within this budget book displays the line-item budget for each activity.

Throughout the development process, City staff is constantly interacting with key stakeholders which include, the City Council, the Executive Management Team, staff and the community. Interaction occurs in various ways from internal meetings to formal public hearings, Council subcommittee meetings and City Council meetings.

Mid-Year Budget Review

The budget as adopted by the City Council is subject to adjustments during the City's Mid-Year Budget Review, which typically occurs in late February/early March. The Mid-Year Budget Review consists of departments, in conjunction with the Finance Department, analyzing the different activities and their budget variances and determining which budget areas need to potentially be adjusted. The need to adjust the budget typically arises in response to unforeseen circumstances or events. For example, the Council is required to formally recognize the receipt of unanticipated revenue before the City can legally accept and spend new money. In other cases, a department may need to transfer funds to cover an unexpected shortfall in another account.

Budget Calendar

The following budget calendar indicates the months in which budget events or budget items occur. The boxed calendar lists the major activities for the month while the narrative on the monthly budget process provides a detailed description of the listed budget activities. While the monitoring and implementation of the budget is an ongoing process, the actual planning for the upcoming Fiscal Year budget begins in January.

January

Mid-Year Budget Review Items: Review of Departmental Expenditures through December and the development of the Budget Variance Form

The initial step in the City's Budget process is to review and conduct initial discussions regarding the Mid-Year Review. The City departments, in conjunction with the Finance Department, identify Mid-Year trends and/or variances to either recommend adjustments or incorporate trends into the upcoming budget.

February & March

- Development of Base Budget: Position Summary, Labor Distribution, and preliminary figures for the upcoming budget
- City Manager Budget Preparation Discussions with the Leadership Team
- Initial Meetings with the City Manager and Departments regarding labor-related requests
- Departments submit preliminary budgets

The majority of the budget development takes place during the months of February and March. The City departments begin to prepare the position summary, which lists the positions within each department and usually includes any adjustments to positions that have been approved by the City Council during the fiscal year. The Labor Distributions are also updated to reflect how much time, expressed in percentages, each position will charge an activity. Additionally, the City Manager has a meeting with the City's Leadership Team (consisting of the Executive Directors and the Middle Managers) to discuss the overall direction regarding the upcoming budget. Discussion includes current economic environment, budget trends and any other items that can potentially impact the City's budget.

Around the same time, the City Manager meets with Departments to discuss labor-related requests. This includes additional positions that are needed to improve operations; filling of vacant positions; upgrading or downgrading vacant positions. Once these discussions have concluded, Departments begin to submit their preliminary budget to the Finance Department for review.

April & May

- Finance Department submits preliminary budgets to the City Manager
- Final Budget Meetings with the City Manager and Departments
- Council Subcommittee meetings held

In early April, Finance submits preliminary budget to the City Manager for review. The final meeting between Departments and the City Manager also occurs during a span of a couple of weeks during April. These discussions include final adjustments to the upcoming budget; discussions on current year trends; and final decisions on labor-related requests. Once the budget has been finalized, Council Subcommittee meetings, which are available to the public, are held, which usually occurs in May. There are a total of three Council Subcommittee meetings held during each year. Discussion includes: current year-end estimates, City Manager recommendations for the upcoming fiscal year, overall budget figures and recommendations from the Council Subcommittee (if applicable).

June & July

- Budget Introduction to the City Council
- City Council Adoption of the Budget
- Start of the New Fiscal Year

Once the Budget has been presented to the Council Subcommittee, the Finance Department makes the recommended adjustments (if applicable) and the budget is introduced to the City Council. The City Council discussions are similar to the Subcommittee meetings but in much more detail. The City Council may make changes to the budget at this stage of the budget process. On or before the 30th day of June, the City Council meets to adopt the proposed budget, as amended, by the affirmative vote of a majority of the five-member Council. The adopted budget becomes the authority for the various departments to expend appropriations, subject to controls established by state law and internal guidelines.

RESOLUTION NO. 9722

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA FE SPRINGS, CALIFORNIA, APPROVING AND ADOPTING THE FISCAL YEAR 2021-2022 CITY BUDGET AND THE FISCAL YEAR 2021-2022 SALARY SCHEDULE, AND AUTHORIZING THE CARRYOVER OF CERTAIN UNSPENT APPROPRIATIONS

WHEREAS, Section 31.13(B)(2) of the Santa Fe Springs Municipal Code provides that the City Manager shall prepare and submit to the City Council an annual budget; and

WHEREAS, the proposed Fiscal Year 2021-2022 City Budget was introduced to the City Council at its regular meeting on June 15, 2021, and the City Council provided direction regarding the finalization of the budget; and

WHEREAS, the City Council considered proposed position adjustments, requiring changes to the salary schedule; and

WHEREAS, labor negotiations have resulted in tentative agreements with certain employee associations, requiring changes to the salary schedule; and

WHEREAS, on June 29, 2021, the City Council reviewed and considered the Fiscal Year 2021-2022 City Budget and Fiscal Year 2021-2022 Salary Schedule.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SANTA FE SPRINGS DOES HEREBY RESOLVE AS FOLLOWS:

1. The City Council approves and adopts the Fiscal Year 2021-2022 City Budget attached hereto as Attachment "A" and incorporated herein by this reference.
2. The City Council approves and adopts the Fiscal Year 2021-2022 Salary Schedule attached hereto as Attachment "B" and incorporated herein by this reference.
3. The City Council authorizes the carryover unspent appropriations for vehicles/equipment and non-recurring expenditures which were not received by June 30, 2021.

APPROVED and ADOPTED this 29th day of June, 2021 by the following vote:

AYES: Councilmembers Sarno, Trujillo, Zamora, Mayor Pro Tem Rodriguez, and Mayor Mora
NOES: None
ABSENT: None
ABSTAIN: None

John M. Mora, Mayor

ATTEST:

Janet Martinez, CMC, City Clerk

RESOLUTION NO. 9720

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA FE SPRINGS
ADOPTING THE ANNUAL APPROPRIATION LIMIT FOR THE FISCAL YEAR 2021-22**

WHEREAS, the City Council must annually adjust the appropriation limit based on either the change in the California per capita personal income or the percentage change in local assessment roll from the preceding year due to the addition of local non-residential construction in the City and either the City's own population growth or the population growth of the entire county; and

WHEREAS, the decision as to which of the options to select must be done by a recorded vote of the City Council;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SANTA FE SPRINGS DOES RESOLVE AS FOLLOWS:

Section 1: In calculating the appropriation limit, the City has utilized the percentage change in change in the local assessment roll due to the addition of non-residential new construction applicable to the fiscal year 2021-22 limit of 7.33%.

Section 2: In calculating the appropriation limit, the City has utilized the population growth factor for City of Santa Fe Springs from January 1, 2020 to January 1, 2021 of negative 0.74%.

Section 3: The appropriation limit for Fiscal Year 2021-22 is \$2,760,314,320 as calculated on Exhibit "A" attached hereto.

Section 4: The City reserves the right to change or revise any growth factors associated with the calculation of the appropriation limit in the present or future.

Section 5: The City Clerk shall certify to the adoption of this Resolution.

PASSED, APPROVED and ADOPTED this 29th day of June, 2021 by the following vote:

AYES: Councilmembers Sarno, Trujillo, Zamora, Mayor Pro Tem Rodriguez, and Mayor Mora
NOES: None
ABSENT: None
ABSTAIN: None

John M. Mora, Mayor

ATTEST:

Janet Martinez, City Clerk

EXHIBIT A

CALCULATION OF APPROPRIATION LIMIT FISCAL YEAR 2021-22

	Amount
Fiscal Year 2020-21 Appropriation Limit	\$ 2,590,871,335
Adjustment Factor (Rounded to 4 Decimal Places)	1.0654 (A)
Adjustment	169,442,985
Fiscal Year 2021-22 Appropriation Limit	\$ 2,760,314,320 (B)

		Change
	%	As a Ratio
Adjustment Factor Calculation:		
Adjustment for increase in non-residential new construction:	7.33%	1.0733
Adjustment for growth in City of Santa Fe Springs population:	-0.74%	0.9926
Combined Adjustment Factor	1.0733 X 0.9926	1.0654 (A)

Appropriations Subject to the Limit (2021-22 Proposed Budget Figures):

Property Tax	\$ 4,117,500
Utility User's Tax	6,100,000
Sales & Use Tax	31,300,000
Transaction & Use Tax	13,175,000
Transient Occupancy Tax	149,000
Business Operations Tax	765,000
Property Transfer Tax	260,590
Barrel Tax	288,400
Vehicle in Lieu Tax	2,266,000
Interest (50% allocated to proceeds from taxes)	250,000
Public Safety Augmentation Fund	186,500
Supplemental Law Enforcement Services Fund	150,000
Total Appropriations Subject to the Limit	59,007,990
Appropriations Limit	2,760,314,320 (B)
Amount Under the Limit	\$ 2,701,306,330

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2021-22 appropriation limit is:

Per Capita Personal Income	
Fiscal Year (FY)	Percentage change over prior year
2021-22	5.73

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2021-22 appropriation limit.

2021-22:

Per Capita Cost of Living Change = 5.73 percent
Population Change = -0.46 percent

Per Capita Cost of Living converted to a ratio: $\frac{5.73 + 100}{100} = 1.0573$

Population converted to a ratio: $\frac{-0.46 + 100}{100} = 0.9954$

Calculation of factor for FY 2021-22: $1.0573 \times 0.9954 = 1.0524$

GENERAL FUND

The General Fund is the largest city fund and is the main operating fund for the City. The General Fund budget is the largest component of the total City Budget. It accounts for sources and uses of resources that (primarily) are discretionary to the City Council in the provision of activities, programs and services deemed necessary and desirable by the community. It also accounts for all general revenues of the City not specifically levied or collected for other City funds, and the related expenditures. The major revenue sources for the General Fund are sales tax, transaction and use tax (Measure Y), utility users' tax, property taxes, franchise fees and other miscellaneous income. The General Fund's expenditures are made for the City's essential functions including public safety (police – contracted with the City of Whittier and fire services); infrastructure improvement; recreational, cultural, social services, and city administration (City Manager's Office, Finance, Human Resources, City Attorney's Office, etc.).

Services Provided by the General Fund

Public Safety:

- Police (contracted with the City of Whittier)
- Fire

General Government:

- City Council
- City Manager
- City Attorney
- City Clerk

Community Services:

- Parks & Recreation
- Library & Cultural Services
- Family & Human Services

Community Development:

- Planning and Development
- Economic Development
- Building Regulation
- Housing

Administrative Services:

- Finance (including Purchasing and Risk Management)
- Human Resources
- Technology Services

GENERAL FUND REVENUES

FY 2021-22 GENERAL FUND REVENUE: \$64.9M

During FY 2021-22, General Fund revenues are expected to total \$64.9 million. This does not include “applied” General Fund revenues (an additional \$12.2 million) that are derived from the operations of specific departments and allocated to offset those same departmental expenditures.

The most significant increases are to the City’s largest revenue sources: sales tax (23.2%) and the transaction and use tax (28.3%), which is an approximately \$8.8 million increase. Sales tax and the transaction and use tax are proposed at \$31.3 million and \$13.2 million, respectively. These figures are budgeted based on with historical trend analysis and supported by projections from the City’s sales tax consultants. Staff will continue to closely monitor the City’s revenues and any adverse fluctuations in expected trends.

The chart above illustrates an overall view of the City’s General Fund revenues for fiscal year 2021-22.

The City of Santa Fe Springs employs various techniques to project ongoing revenues and ongoing expenditures. By utilizing these techniques, multiple variable can be considered in the development of the annual operating budget. Some of the variables considered include: performance of key national, state and local economic indicators; revenue growth rate; analysis of revenue risks; payroll growth rate; actuarial reports on retirement plan rates, and a variety of other factors.

Revenue estimates are developed by the Finance Department in coordination with other City departments by utilizing trend analysis, judgmental forecasting, and expert opinion. The focus is on a three-year trend that is the basis for objective and conservative revenue estimates for the upcoming year. An emphasis is also placed on atypical occurrences that can adversely affect the estimates by expecting the revenues too high or too low. Judgmental forecasting is used to modify projections for these known past, current and predictable anomalies. The City utilizes expert opinion (i.e., governmental reports, economic reports, studies, consultants) to validate or modify any assumptions developed into the different revenue sources.

Sales Tax Revenue

The State of California's Department of Tax and Fee Administration (CDTFA) disburses monies to counties and cities on a quarterly basis with advances paid monthly. Quarterly adjustments are made to reflect the actual funds collected. The Sales Tax is charged by the retailers who sell tangible property in the state. The tax is measured by gross receipts from retail sales at a rate of 10.5%. Effective April 1, 2019 the distribution of the tax of 10.5% is as follows: 8.5% to other governmental agencies and 2.0% to the City of Santa Fe Springs – 1% for Bradley-Burns and 1% for the Transaction & Use Tax (Measure Y).

Historically, the City has benefitted greatly from the large business community and the sales tax revenue generated. During the Great Recession, however, the City's revenues were disproportionately impacted by the downturn in the economy. Since then, modest gains have generally provided for a slow but steady rise. In FY 2014-15 sales tax revenue reached the pre-recession high of \$26.4 million followed by two years of declines to \$25.1 million in FY 2016-17 and followed by consistent growth into FY 2018-19. Sales tax received in FY 2019-20 (\$30.5 million) was the highest ever recorded and now it is anticipated that at year-end (FY 2020-21) the sales tax generated will be approximately \$31.0 million.

**Estimate*

Transactions & Use Tax

In November 2018, the City of Santa Fe Springs voters approved a 1% transactions and use tax. The tax became effective April 1, 2019 with the first payment to the City beginning in June 2019. Transaction and use tax is essentially the same as the sales tax except that it is only subject to transactions delivered to customers within the City (i.e. point-of-destination) whereas sales tax applies to transactions originating within the City (i.e. point-of-sale).

Utility Users' Tax

The Utility Users' Tax (UUT) is imposed on every individual or entity using a utility within the City. Utilities subject to the tax include electricity, gas, and telephone (including cellular telephones). Individuals and entities using these utility services pay a tax rate of 5.0% on all charges made for such services. As the third largest revenue source, the UUT is projected to account for 11% of the General Fund revenues.

A declining trend has been observed for the UUT in the past several months extending back to last fiscal year. This decline is due to numerous reasons including shift in consumer behavior, reduction in consumption, and the California Climate Credit part of the state's Cap-and-Trade Program. Consequently, the UUT revenue is anticipated to remain relatively flat for the next several years. The projected UUT revenue is \$6.1 million for FY 2021-22.

GENERAL FUND EXPENDITURES

FY 2021-22 GENERAL FUND EXPENDITURES: \$61.8M

Overall, General Fund expenditures and operating fund transfers are expected to total approximately \$61.8 million in FY 2021-22, or about \$5.1 million greater than the FY 2020-21 Adopted Budget of \$56.7 million. This 9.0% increase is due to a variety of factors including labor negotiated increases, general rise in labor related costs – CalPERS contributions, step increases, health care increases, and minimum wage increases – and other recommended operating needs, such as:

- Capital Improvement Program funding from General Fund;
- Replacement of large and specialized City vehicles;
- Funding for thirty-three (33) proposed position adjustments;
- Cost increases related to the City of Whittier’s police services contract;
- Several IT upgrades/enhancements;
- Funding for non-recurring expenditures, which include replacements of furniture in public facilities, refurbishments of public facilities, and internal process improvements;
- Funding for various contracts including finance and IT related, increases in park facility utilities and maintenance.

The City's utmost priority is the commitment to public safety and this fiscal year's budget demonstrates it as a total of \$32.7 million, or approximately 53% of the General Fund appropriations has been allocated to uphold the City's commitment to public safety. Public safety funding includes appropriations of \$18.3 million for Fire and emergency response services and \$14.3 million for Police Services – of which \$11.2 million is for the contract with the City of Whittier to provide sworn and non-sworn Police personnel and the other \$3.1 million is allocated for other Police services such as, Public Safety Officer Patrol, Family & Youth Intervention and Code Enforcement.

The third largest share of the General Fund appropriations (\$9.2 million or 15% of the General Fund budget) is managed by the Public Works department to develop, construct and maintain the City's infrastructure. The Community Services department manages \$6.8 million or 11% of the City's General Fund budget to provide a variety of programs and services aimed at engaging with the community through leisure classes, sports, the library and social services. The remaining 21% of the City's General Fund budget is allocated as follows: Finance (7%), General Government (5%), Capital Improvement Program funding–Interfund Transfer (5%), Non-Recurring–one-time capital purchases (2%) and Planning and Development (2%).

DEPARTMENTAL SUMMARY & DETAILED ACTIVITY BUDGET SHEETS

GENERAL GOVERNMENT

GENERAL GOVERNMENT

DEPARTMENT OVERVIEW

General Government is a combination of various elected, administrative, and community promotion activities. The City Council is composed of five members who are elected by the voters of Santa Fe Springs to four-year, overlapping terms. Each year, the City Council selects a Mayor and a Mayor Pro-Tem from among its members whose responsibilities are to chair Council meetings, attest to the official actions of the City, and represent the City. The City Attorney provides legal advice to the City Council, City commissions and departments. All formal City documents are reviewed by the City Attorney for legal correctness and validity and the City Attorney also represents the City in litigation matters, as necessary.

The City Manager provides direct staff support to the City Council and is responsible for implementing City Council policies. The City Manager directs the operation of all City departments and makes recommendations to the City Council. The City Manager directly oversees the City Clerk.

TOTAL	\$ 2,081,260	\$ 2,118,247	\$ 2,517,700	\$ 2,823,500

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

City Council: The City Council is the legislative body of the City government. It is responsible for setting general and specific municipal policy, passing ordinances and resolutions, appropriating funds, reviewing and monitoring municipal administration, adopting the City's budgets, establishing water and refuse collection rates, and other general tax and service rates, establishing a zoning plan for the City, appointing special citizen advisory committees, and fulfilling a variety of other duties prescribed by State Government Code.

The City Council conducts public meetings for the purpose of taking formal actions and reviewing staff reports on specific issues. It provides liaison to elected representatives of the state and federal government, and represents the City at formal public events.

In addition, the City Council approves all appointments to City commissions, presents proclamations and special awards, approves specialized permit requests, and appoints the City Manager and City Attorney.

City Clerk: The City Clerk plays a critical role in the decision-making process of the City Council. As the key staff for City Council meetings, the Clerk prepares the agenda, verifies legal notices are posted or published, and completes the necessary arrangements to ensure an effective meeting, consistent with local, state and federal rules and regulations. The Clerk is entrusted with the responsibility of recording the decisions of the City Council.

The City Clerk administers Federal, State, and Local procedures through which local government representatives, the City Council, are selected. The Clerk assists candidates in meeting their legal responsibilities before, during, and after an election. From election pre-planning to certification of election results, and filing of final campaign disclosure documents, the City Clerk assists in the process.

The City Clerk also oversees the preservation and protection of the public record. By law, the Clerk is required to maintain and index the Minutes, Ordinances, and Resolutions adopted by the City Council. The Clerk also maintains the City's Municipal Code, and ensures that other municipal records are readily accessible to the public.

City Attorney: The City Attorney, as chief legal advisor to the City, renders advice to the City Council, City Commissions and Committees, and to City officers and employees, as well as performs legal services for the City with the exception of criminal prosecutions, which are handled by the District Attorney of Los Angeles County under contract with the City.

City Manager: The City Manager provides direct staff support to the City Council and is responsible for implementing City Council policy. The City Manager directs the operation of all City departments through the Executive Team and makes recommendations to the City Council. The City Manager, in conjunction with the Director of Finance and Administrative Services, prepares and recommends an annual budget to the City Council, provides reports, analyses data, and presents other information to the City Council as necessary. The City Manager also represents the City in legislative actions, legal service functions and provides leadership for the entire organization.

This activity is also responsible for a variety of research, analysis, project coordination and legislative liaison activities, as well as assisting in policy development, grant seeking and government relations initiatives. It serves as the City's state and federal government liaison to assist state and federal legislators, staff members, and agencies in promoting and implementing the City's legislative interests and policies.

Community Organization Support: This activity funds requests for community organization support from non-profit agencies and/or local schools during the fiscal year. Requests are decided on their merits at the time the Council considers the budget. Re-

quests made after the budget adoption are decided by the Council on their merits, the financial condition of the City at the time, and consideration of the staff recommendation. All requests for support must be for a "Municipal Purpose" as defined by State law.

Community Promotion: The Community Promotion activity provides a positive public relations program for the City by promoting and supporting special activities and events, celebrations, and local civic and community groups.

FINANCE & ADMINISTRATIVE SERVICES

The Finance and Administrative Services Department coordinates the day-to-day financial transactions of the City and is responsible for all accounting, cashiering, financial planning and reporting, investment, purchasing, warehousing, risk management, information technology, and human resources activities of the City. The department administers various internal operations such as budgeting and overhead recovery.

The department also processes the City's business licenses, all daily incoming and outgoing mail, and performs the City Hall receptionist function.

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

Human Resources: The Human Resources division is responsible for: Recruitment, testing and selection for all open and promotional full-time and part time City positions; administration of employee benefit programs; administration of the City's workers' compensation program; employee-employer labor relations including contract negotiations; mandated employee training required by law; special events for employees such as employee service recognition awards and innovation awards. Historically, the division will recruit and test for approximately 40 positions. About 2,000 applications will be received and processed, and about 20 full-time and 65 part-time positions will be filled. Processes will be completed for about 50 employee injuries, and about 100 volunteers.

Finance: The Finance division is responsible for all accounting, cashiering, financial planning, and investment activities of the City. It accounts for all financial transactions of the City, Successor Agency, Water Utility Authority, Public Finance Authority, manages the City's investment portfolio, and oversees all debt and bond issues. The division is also responsible for projecting and monitoring revenues, projecting long-term financial conditions, coordinating annual audits by various agencies, and preparing the City's budget and Comprehensive Annual Financial Report (CAFR). With day-to-day financial transactions, the division is responsible for accounts payable, accounts receivable, payroll and other finance subsystems. Each year, the Finance division provides accounting for over \$80 million in revenues and expenditures, preparing over 100 reports to various state and federal agencies. In addition, the activity also coordinates inventory management for the City's general fixed assets.

Administrative Services: The Administrative Services division oversees some of the City's organization-wide operations, providing technical assistance and management support to all City departments. Specifically, the division is responsible for the City receptionist, and the administration of the City's central telephone and mail function operations. The City Receptionist directs both walk-in and telephone inquiries to appropriate City staff or departments who can assist with their requests.

Technology Services: The Technology Services activity oversees the City's overall computer systems. This includes network systems, electronic security, web site, document imaging, audio/visual, an array of data connections and the City's Enterprise Resource Planning applications. Technology Services is also responsible for ensuring the integrity of the hardware, security on the network and the safety of the City's electronic records. The activity oversees the Citywide standardized PC hardware and applications. This fiscal year there are plans in place to upgrade the city's network hardware infrastructure. One of the core functions of Technology Services is to program and maintain the City's customized Enterprise Resource Planning applications such as: payroll, general ledger, water utility billing, child care billing, fixed assets, business license, and accounts payable & receivable systems. City Hall houses the City's email system, web site, file and print servers, and the mini-computer system that runs the Enterprise Resource Planning applications. The activity manages the data communication and fiber optic lines connecting the City's facilities. The City campus which consists of City Hall, Town Center Hall, Library, Clarke Estate and the Aquatic Center is connected by fiber optic connections. Later this fiscal year, technology staff will manage the rest of the City's remote sites utilizing fiber technology.

Purchasing & Warehousing: This division is responsible for overseeing the acquisition of goods and storage of merchandise. It manages the requisition process with all departments for the purchase of goods or services. It is also responsible for maintaining appropriate stock levels for goods used by most City staff at the central warehouse located at the Municipal Services Yard. This division will also provide for the funding of the equipment and services related to duplicating with the personnel component provided by each individual department. In FY 2012-13, Duplicating was merged with the Purchasing & Warehousing. Items that were identified in Duplicating have been incorporated into this activity.

Risk Management: The Risk Management division is responsible for the City's property and liability insurance programs. It includes monitoring internal and external activities that may affect the City's risk exposure.

POLICE SERVICES

POLICE SERVICES

DEPARTMENT OVERVIEW

The department of Police Services provides residents and businesses of Santa Fe springs with services for the protection of life and property. It includes coordination, liaison, and monitoring of services provided by the City of Whittier Police Department, Los Angeles County Probation Department, Los Angeles County District Attorney's Office, City Attorney, and the Southeast Area Animal Control Authority. These organizations provide general law enforcement services and animal control. Supplemental law enforcement services are provided through the City's Public Safety Officer (PSO) program, and operation of the City's Police Services Center.

Police Services is also responsible for the enforcement of local parking controls, code enforcement and the administration of the City's regulatory permits. The Family and Youth Intervention Program is also a service provided to the community.

The Department of Police Services and the City's Department of Fire-Rescue administer the City's Emergency Plan and provide ongoing training to emergency personnel, staff and volunteers.

TOTAL	\$ 10,934,969	\$ 10,892,547	\$ 12,403,300	\$ 14,304,200

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

Police Administration: The Police Administration activity funds two (2) full-time positions responsible for overseeing and managing the day-to-day operation of the department. In addition, one (1) full time and two (2) part-time clerical position are accounted for under this activity.

General office supplies, employee training, office equipment, maintenance, contractual services, and regulatory permit functions are also funded and administered under this account.

Family & Youth Intervention Program: The Family and Youth Intervention Program (FYIP) is a City of Santa Fe Springs service to the community through the Department of Police Services. Its mission is to positively engage youths, between the ages of seven and seventeen years old who are exhibiting “high-risk” behaviors, in a multidisciplinary intervention strategy that infuses the critical attributes or “assets” needed to thrive as young adults.

This activity also coordinates outreach programs such as Red Ribbon Week for anti-drug awareness, Every 15 Minutes, which combats teen drinking and driving, and Diversity Summit educating and promoting competence among students through speakers, workshops, and cultural programs. Two (2) full-time positions are funded through this activity.

Contract Patrol: The Contract Patrol activity funds the contract for police sworn and non-sworn personnel with the City of Whittier. Patrol units, supplies, contractual services and equipment for the day-to-day operation of the patrol services are funded from this activity.

PSO Patrol: This account funds four (4) full-time and nine (9) part-time Public Safety Officers who provide support for

sworn law enforcement activities and security at all City facilities and City sponsored events. Public Safety Officers represent a large portion of the law enforcement service level and handle a significant amount of calls for service that range from crime, traffic, collision, and missing person reports, to parking enforcement and front counter customer service.

Equipment lease agreements and supplies for public safety personnel along with routine maintenance on equipment and supplies for Public Safety Officers are also funded by this activity.

This account also reflects funds generated from fines and parking citation fees.

Animal Control: This account funds supplies and contractual service such as animal control services with the Southeast Area Animal Control Authority (SEAACA), including yearly canvassing and a rabies clinic.

Emergency Preparedness: This activity funds provides funding for the City's Residential Emergency Preparedness Programs. In addition, this account also provides funding for emergency supplies, emergency equipment and contractual services such as the Rapid Notify System (RNS).

Code Enforcement: Code Enforcement ensures that properties throughout the City are maintained in conformance with applicable zoning and property maintenance codes in order to preserve a safe and attractive living and working environment.

One (1) commercial and one (1) residential code enforcement inspector are funded under this activity.

Typical issues handled by the Code Enforcement are:

- * Property Maintenance and Zoning violations.
- * Construction without a permit.
- * Activities or land uses occurring without proper permits or city approvals.
- * Illegal signs and banners.
- * Inoperative vehicles.
- * Concerns raised by the City's Beautification Committee.

Facility Operations: The Facility Operations activity funds two department facilities: the Police Services Center and the Police Staging Facility. All utilities for these facilities are funded by this activity which includes gas, water, and electricity. The department's contractual services such as landscape maintenance, janitorial services, equipment leases, alarm service, and other operational maintenance areas are also funded in this activity.

FIRE-RESCUE

FIRE-RESCUE

DEPARTMENT OVERVIEW

The Department of Fire-Rescue is entrusted with the responsibility of providing the community, its residential and business citizens and the many visitors that pass through our City on a daily basis with the highest level standard of care and emergency response in regards to the preservation of life, property and the environment. Historically, the City has been charged with the tasks of managing numerous naturally occurring and human-caused events such as earthquakes, flooding, residential and commercial structure fires, environmentally hazardous conditions, multi-casualty medical events and numerous other catastrophic occurrences. The Department of Fire Rescue also provides assistance to other local California cities in regards to brush fires, mud slides, hazardous materials response, urban search and rescue and other major emergencies as provided by the California Master Mutual Aid Agreement. The Department of Fire-Rescue is composed of a highly trained staff operating out of four (4) fire stations. They respond and are trained to the highest level in regards to emergency medical response, Hazardous Materials Type I Response including incidents involving acts of terrorism, Urban Search and Rescue Regional Task Force Response, structural and brush firefighting tactics, fire prevention and other skills related to emergency response. The Department manages a full service Certified Unified Program Agency (CUPA), Environmental Protection Division and Fire Prevention Division. The City is home of several of the top chemical distribution companies in the country as well as two of the most heavily traveled interstates, railroad routes and state highways. The Department of Fire-Rescue continues to invest in numerous training courses and exercises in order to maintain and increase the skills, knowledge and ability to effectively respond to the needs of the community during an emergency.

TOTAL	\$ 16,242,450	\$ 16,530,707	\$ 17,539,050	\$ 18,425,600

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

Fire Administration: The Fire Administration activity consists of the Fire Chief and his Administrative Staff. The Fire Chief, under the direction of the City Manager and the City Council, is responsible for long-range planning, budgeting, personnel development, and for setting and meeting specific goals and objectives related to maintaining and improving levels of service to the community.

The Fire Chief achieves these standards by providing leadership and employing a variety of modern management techniques. The Fire Chief recruits, selects, and provides continuous development to ensure a high level of competence and integrity in his staff. The Fire Department's service objectives are currently achieved by maintaining four strategically-located fire stations within the City, staffed by 45 dedicated personnel. All residents benefit from prompt response by emergency service units.

The Fire Chief and his administrative staff are constantly seeking out new programs and innovations to maintain the highest level of service at the most reasonable cost. One such area is in the upgrading and refining of mutual and automatic aid agreements with other agencies facing the same economic challenges. With these comprehensive automatic aid agreements in place, the department has additional resources available for response for each agency and greater flexibility in determining the closest fire engine or paramedic unit for response. The City has automatic aid agreements with Downey, Compton, La Habra Heights, Vernon, Long Beach and the Los Angeles County Fire Department.

Suppression: The Fire Suppression Activity is charged with the responsibility of providing fast and efficient emergency response to fires, hazardous conditions, rescues, illnesses, or any other conditions where the health, safety and welfare of the public is in jeopardy. One measurement of the capabilities of this activity has been the grade assigned to the Fire Department by the Insurance Service Organization (ISO). The grading schedule also considers the water system, communications, staffing, training, and facilities. This grading is used by the insurance industry to determine fire insurance rates for homeowners and businesses within the City. On a scale of one to ten, with one being the most desirable, the City of Santa Fe Springs currently maintains a Class Two rating.

Command and control emergency operations are provided on a daily basis by three Division Chiefs on a shift schedule. In addition to daily emergency operations, each Division Chief performs several different staff assignments. These duties include: Administration & Special Operations (Hazardous Materials Response, Emergency Medical Services and Urban Search and Rescue), Emergency Operations and Training, and Support Services (Building and Grounds and Fleet Maintenance).

The Fire Suppression Activity strives to achieve the highest quality of dependable economical services possible. This is accomplished through the use of clearly established standard operational guidelines and by employing and developing the most highly motivated and skilled personnel.

Paramedics: The Paramedics Activity is charged with the responsibility of providing fast and efficient emergency medical care. This objective is currently met with a two-person Paramedic Squad, and when paramedic manpower allows, up to three Paramedic assessment engines are placed into service on a daily basis.

The Activity's specific service objectives are as follows:

- Maintain advance life support (ALS) service in a timely manner to all areas of the community using state-of-the-art equipment, and personnel trained in the most modern emergency medical techniques.
- Maintain the highest level of emergency medical services to the community using training, education, and re-evaluation of these skills through our Quality Improvement Program.
- Prepare and maintain reports on the use of the emergency paramedic ambulance service and manage the program in an effective and efficient manner.
- Market enrollment in the paramedic advanced life support response fee subscription program to residents and business owners.

Fire Prevention: The Fire Prevention Activity is tasked with protecting the community through education and prevention efforts to find and eliminate hazards before they become an emergency. The efforts of this Activity are divided into two major programs, which focus on Fire Safety and Environmental Safety. The Fire Safety Programs mitigate hazards associated with life or property loss and includes the responsibility for plan checks, issuing permits, inspections, investigations, and community relations.

This Activity is also responsible for recovering costs for inspection services, plan checks, annual permits required by the California Fire code or other regulations and investigations.

Environmental Protection: The Environmental Protection Services activity is designed to protect the public and worker safety as well as the environment. This activity focuses on the State designated Certified Unified Program Agency (CUPA) responsible for hazardous waste, underground storage tanks, aboveground storage tanks, industrial wastewater, hazardous materials, community right-to-know, and accidental release prevention programs. The activity also oversees the cleanup of contaminated properties.

Environmental Protection Services personnel respond and work as a team with personnel from the Fire Suppression Activity on hazardous material releases. The Environmental Protection Services activity investigates improper waste disposal practices and nuisance odors. This activity's primary objective is to prevent harmful exposures to the public and the environment from hazardous substances through education and enforcement, and maintain the economic viability of the regulated community.

Buildings & Grounds Maint.: The Buildings & Grounds Activity in the Fire Department is responsible for maintaining the four Fire Stations throughout the City. These City-owned buildings require maintenance such as electrical, plumbing, lighting, painting, air conditioning, landscaping, cleaning supplies, tools and many other maintenance related items. This section supervises City contractors and Fire-Rescue personnel who assist in maintaining these buildings and the grounds surrounding them. All costs associated with Fire Station maintenance are managed through these activities, such as electricity, natural gas, water, station repairs, contractual services, equipment usage, construction, intergovernmental charges, furniture/equipment and supplies.

FOUR-YEAR TRENDS—TOTAL EXPENDITURES BY ACTIVITY

BY TYPE	FY 2018-19 ACTUAL	FY 2019-20 ACTUAL	FY 2020-21 ADOPTED	FY 2021-22 ADOPTED
SALARIES & BENEFITS	\$ 1,088,559	\$ 1,261,531	\$ 1,554,800	\$ 1,635,800
MAINTENANCE & OPERATIONS	1,231,979	1,136,337	1,132,100	1,222,000
APPLIED REVENUE	(1,813,076)	(1,996,903)	(1,473,000)	(1,475,000)
TOTAL	\$ 507,463	\$ 400,965	\$ 1,213,900	\$ 1,382,800

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

Administration: Planning Administration provides staff support to the City Planning Commission, Housing Successor, Successor Agency, and the City Council, and other development related activities. Primarily focused on the review and issuance of land use entitlements, the Planning Administration activity also generates applied revenue through application and service fees.

Planning Commission: The Planning Commission budget shows the cost for staff support to the Planning Commission.

Economic Development: Economic Development staff support the City's Economic Development vision to:

Retain, attract and expand the business community; Support existing business through a variety of economic efforts, partnerships, business outreach and special events; Assist in the creation of new retail opportunities and commercial development, and Support the expansion of additional hospitality development.

Building Regulation: The Building Regulation Division provides building and safety services to property owners and the development community. The City contracts with the Los Angeles County Department of Public Works to provide plan checking and building inspection services. This contract includes a Plan Checker for basic plan check services, and also a Building Inspector that visits jobsites to confirm compliance with applicable codes and requirements. The Building Division is responsible for checking development plans, issuing permits for construction work, inspecting said work, and granting final approval, all the while answering Building Code related inquiries.

PUBLIC WORKS

The Public Works Department is responsible for developing, constructing, and maintaining the City's infrastructure, including the operation of the City owned water system in a safe and environmentally sensitive manner for the enhancement of the community. The City prides itself in having a functional and well-maintained infrastructure. The department also continues to provide traffic signal maintenance to five neighboring cities. Additionally, the Public Works Department also administers the Capital Improvement Program through a combination of in-house engineering staff and professional engineering consultants.

Public Works has three operating divisions and each division has several operating activities.

BY DIVISION	FY 2018-19 ACTUALS	FY 2019-20 ACTUALS	FY 2020-21 ADOPTED	FY 2021-22 ADOPTED

TOTAL	\$ 6,590,931	\$ 6,945,575	\$ 8,435,500	\$ 9,203,500

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ENGINEERING SERVICES: The Engineering Services Division is responsible for the oversight and coordination of public improvements associated with developing projects and ensures that work conforms to City standards, including the enforcement of regulations regarding storm water pollution prevention. Furthermore the division issues both construction and excavation permits for all work within the public right-of-way. Approximately 120 excavation and 10 construction permits are issued on an annual basis. An average of 20 drainage plans are reviewed and plan-checked annually related to future development.

The Engineering Services Division is also responsible for the successful completion of capital improvement projects within the public right-of-way, including pavement rehabilitation of streets, curb and gutter repairs, signal and street lighting improvements, potable water improvements, reclaimed water improvements, signing and striping, waste management, as well as park and facility improvements. This includes the Traffic Commission which studies and evaluates traffic-related issues.

APPLIED REVENUE	(1,927,653)	(2,335,010)	(1,997,200)	(2,121,700)
TOTAL	\$ 469,690	\$ 211,340	\$ 893,300	\$ 821,900

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: Administration sets policies and standards for the department and provides guidance and direction to the individual divisions and sections of the department. Administration prepares and monitors the department's budget and performance standards and prepares special reports for the City Council and Traffic Commission. Administration establishes goals, policies and procedures; provides long range public works planning; and conducts employee safety training. Administration also coordinates the department's response to over 4,000 citizen requests each year.

NPDES: National Pollutant Discharge Elimination System (NPDES) is a program that mitigates pollutant discharge to bodies of water from the storm drain system. The State of California issues permits to local agencies and counties that allow them to discharge water through the storm drain system into larger bodies of water, such as lakes and oceans. Strict guidelines and regulations are in place to limit pollutants from entering into the larger bodies of water. There are a myriad of requirements associated with the NPDES Permit and ongoing environmental checkpoints that must be adhered to.

WASTE MANAGEMENT: This activity is responsible for managing franchise agreements with various commercial and industrial solid waste haulers and ensuring compliance with the AB 939 waste diversion requirements. It is responsible for all data collection and reporting as mandated by AB 939.

The activity plans, promotes, and administers programs relating to residential curbside recycling, construction and demolition debris disposal, used oil recycling, beverage container recycling, universal waste roundups, household hazardous waste round ups, and special events such as Earth Day and composting workshops, as well as other informational outreach opportunities.

BUILDING REGULATION: In conjunction with development within the City, certain public improvements are required by property owners. The requirements imposed vary by location, type of project and necessity for public infrastructure within the given area. In order to ensure that all improvements are in accordance with given local, state and federal statutes, plan checking services are provided by City staff as well as subsequent inspection of such installations.

TRAFFIC ENGINEERING: The Traffic Engineering activity oversees traffic control facilities within the City. This includes the plans and designs of traffic signals, street lights and other warning lighting to provide efficient operations of the City's traffic control system. Also included is the participation in the 91/605 Major Corridor Study.

TRAFFIC COMMISSION: The Traffic Commission is an advisory committee comprised of residents appointed by the City Council. The Traffic Commission meets on a monthly basis to discuss traffic-related matters within the City, such as traffic accidents, traffic-related capital projects, business-requested parking prohibitions and speeding concerns. Support for the Traffic Commission is provided by both the Public Works Department, as well as Whittier Police Officers, through the Police Services Center.

MUNICIPAL SERVICES: The Municipal Services division is responsible for efficiently maintaining the City's infrastructure which consists of facilities, streets, signals and lighting and fleet. The City prides itself in having functional and well-maintained infrastructures. In addition, transportation services are provided to the community in a safe and efficient manner. The division also continues to provide traffic signal maintenance to five neighboring cities.

TOTAL	\$ 6,121,240	\$ 6,734,235	\$ 7,542,200	\$ 8,381,600

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Maintenance Administration activity provides the administrative and financial support for the maintenance activities.

EQUIPMENT MAINTENANCE: The Equipment Maintenance activity maintains and repairs all the City equipment, which are approximately 200 vehicles. This includes the repairs on a diverse range of conventional and alternate fueled vehicles and equipment.

MUNICIPAL SERVICES YARD: The Municipal Services Yard activity provides for the maintenance of the Municipal Services Yard and buildings, including landscape and janitorial services.

GRAFFITI REMOVAL: The Graffiti Removal activity provides for the removal of graffiti within the City. City facilities and parks are routinely inspected for graffiti and when found, graffiti is removed. The activity includes graffiti removal on private property that can be seen from the street. It also includes graffiti on light poles, utility boxes, sidewalks, and curb faces. Graffiti is removed from all the City's major corridors (streets) on a regularly scheduled basis. The City also maintains a 24-hour graffiti hotline where residents can call to report graffiti.

TRANSIT SERVICES: The Transit Service activity administers the City's Dial-a-Ride service, which provides free transportation for Santa Fe Springs' seniors 60 years and older, and Santa Fe Springs' residents with disabilities, for medical appointments and to the City's Senior Center. Other transportation services include: Program-related transportation to and from City facilities and a variety of excursion outing locations.

This activity is funded entirely through Local Return Propositions A & C, and Measure R funds.

STREET MAINTENANCE/GENERAL: The Street Maintenance/General activity provides for maintaining the streets, alleys, sidewalks, parking lots, overpasses, underpasses, catch basins and right-of-way throughout the City. They assist in traffic control, set-up for special events and emergencies, spills, maintenance of traffic collisions, emergencies, etc. They provide catch basin inspection, maintenance, City sewer problems, etc.

STREET MAINTENANCE/TREE MAINT.: The Street Maintenance/ Tree Maintenance activity provides for the maintenance of trees within the City public right-of-way (parkways and medians). Tree trimming is done on a three-year cycle, as well as removing and replacing trees that are damaged.

LANDSCAPE MAINT.: The Landscape Maintenance activity provides maintenance of landscape areas such as the median/greenbelts, slopes, underpasses, open space, sound walls and fountains.

STREET MAINT./SIGNS & STRIPING: The Street Maintenance / Signs and Striping activity oversees the installation and maintenance of traffic signs, traffic striping, pedestrian crosswalks, bike lanes, school zones, red, yellow and green curb maintenance, City parking lots, stencils and traffic control for special events and emergencies.

TRAFFIC SIGNAL MAINT.—SANTA FE SPRINGS: The Traffic Signals Maintenance - Santa Fe Springs activity provides for the maintenance of existing traffic signals within the City of Santa Fe Springs, some of which are joint with other jurisdictions. This includes the maintenance of poles, wires, signals conduits, etc.

TRAFFIC SIGNAL MAINT.—CONTRACT CITIES: The Traffic Signal Maintenance - Contract Cities activity provides for routine and emergency repair of traffic signals of several surrounding cities that have contracted with the City of Santa Fe Springs for these services.

STREET LIGHTING MAINT.: The Street Lighting Maintenance activity provides for the maintenance and costs of street lights, including replacement, relocation, and new installations, within the City of Santa Fe Springs.

PARK MAINTENANCE: The Park Maintenance activity provides for janitorial services, tree trimming, utilities, repairs, landscape maintenance and facility maintenance of the City parks.

BUILDING & GROUNDS MAINT.: The Building and Grounds Maintenance activity provides for the janitorial services, utilities, repairs, landscape maintenance, and facility maintenance of the various City facilities.

PARK MAINTENANCE—BALL FIELDS: The Park Maintenance-Ball Fields Program is responsible for maintaining and prepping the fields located at Jersey Athletic Fields, Lake Center Athletic Park, Los Nietos Park, and Little Lake Park for softball, little leagues, and soccer programs. The preparation includes dragging, chalking, leveling, and watering the fields to maintain a safe and competitive playing field.

COMMUNITY SERVICES

The Department of Community Services is comprised of four multidisciplinary and integrated divisions, which include the Divisions of Family & Human Services, Library & Cultural Services, and Parks & Recreation Services and Administration. In a collaborative and interdependent approach, the Department of Community Services provides a wide array of program offerings and services to Santa Fe Springs residents. Its mission is to continually assess the educational, cultural, health and wellness, and social needs of the community and design Library, Recreation, and Social Services Programs to meet these needs; provide these services in a professional, courteous, and ethical manner; strive to meet the needs of the physically and mentally-challenged individuals and their families; promote the value of the ethnic and cultural diversity of the community; foster volunteerism; and join other departments to carry forth the City's mission.

TOTAL	\$ 5,449,803	\$ 5,275,096	\$ 6,580,200	\$ 6,797,400

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Administration Division of the Department of Community Services provides guidance and leadership to a multidisciplinary team composed of three divisions to address the community needs, conduct community problem solving and implement City Council goals and priorities relating to leisure, social, cultural & library services to the community. The division also provides general administrative support to the overall department through centralized coordination of the operational budget, capital improvement projects, event planning, marketing and social media, as well as overall professional development. In particular, the Community Services Administration directly manages the Public Art & Art Education Program, the Health and Wellness Initiative and the Volunteer Program.

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

PUBLIC ART & ART EDUCATION PROGRAM: The Public Art and Art Education Program is a very specialized component of the department. The Program offers Art Education Grants and commissions art for the enrichment of the community (SFS Art Fest and Art walk). The conceptual development and coordination of construction, installation, and dedication of new art pieces is a primary function of the City's Heritage Arts Advisory Committee (HAAC), which is supported through this Program. It also provides recommendations to City Council for various art installations. For many years, the HAAC has provided art grants to local schools as a way of enriching students' lives through art. Clearly, the HAAC and the City needed to find a way to place more arts education opportunities and creative cultural experiences within the reach of children and their families. The HAAC wanted to provide a forum for emerging community artists (many still in high school) to showcase and sell their works alongside established artists. In addition, HAAC wanted to find a way to encourage local businesses to become more involved in providing support for the arts and local educational grants and, as a result, SFS Art Fest was established. The Mission of the SFS Art Fest is to promote and encourage art participation and appreciation. It enriches the cultural life of our City by hosting a local-artists exhibition of all arts and provides a forum for the youth and emerging artists of our community by way of showcasing their works alongside established artists.

Due to COVID-19 in Fiscal Year 2020/2021, the annual SFS Art Fest and Art Walk were not held. However, we anticipate that these events will continue in Fiscal Year 2021/2022.

HEALTH & WELLNESS INITIATIVE: The purpose of the Health & Wellness Initiative is to educate and empower the community to improve and maintain overall health & well-being, to make the healthy choice the easy choice and to advocate for a healthy community culture. The Initiative mobilizes organizational change in the department to develop and implement comprehensive strategies with a multi-disciplinary approach to address the fast-growing epidemic of obesity in adult and youth populations. It supports healthy lifestyles and includes opportunities for increased education, physical activity, reduced sedentary behavioral patterns, and better healthy choices surrounding access to food consumption. Through partnering and engaging with existing local, regional, and state efforts, the initiative is applied to the core operations within the three Divisions in the department, as well as community-wide efforts. Some of the strategies include a Health & Wellness Resource Fair and Fun Run, a wellness audio library collection, health & wellness classes/workshops, and Healthy Family Fun Night. We have also built strong collaborations with the local school districts and community agencies, including PIH Health, AltaMed, CareMore, Partners in Care, and CVS y Mas.

The City is also a HEAL (Healthy Eating Active Living) City and is eligible to receive technical support from the Heal Cities Campaign to develop and implement more health-related policies. Additionally, the City of Santa Fe Springs was the first local City to implement healthy vending machines throughout the City for employees and the community. Lastly, the City also offers a Community Garden for patrons. The Community Garden encourages healthy lifestyles throughout the year. Expenditures for the garden are charged to the PRS budget.

Unfortunately, due to COVID-19, health & wellness-related in-person programs were cancelled. We are looking forward to bringing back in-person programs in FY 21-22.

VOLUNTEER PROGRAM: Five years ago, the department developed and implemented a volunteer program for teens and adults. We currently have over 150 active teen and adult volunteers in our City. Volunteers support events and programs such as the Haunted House, Santa Float, Thanksgiving & Christmas Basket Programs, Adult & Youth Sports, Adult & Children's Literacy, and numerous other activities, including our advisory boards and committees. Due to their outstanding work and support, the City recognizes them during National Volunteer Week and offers an annual volunteer recognition reception. This activity is placed under Community Services Admin so that we may continue to properly plan, implement, and monitor volunteer program needs.

PARKS AND RECREATION SERVICES: The Parks and Recreation Services Division is one of three divisions that completes the department. This division provides recreational activities to stimulate and create physical and emotional growth for all residents of Santa Fe Springs. This is accomplished through many programs, activities and special events, focusing on cultural enrichment, but primarily through year round programs of youth and adult sports, recreational classes, day camp programs, aquatic classes, youth programs, and the Activity Center. The division has made a commitment to provide parks to ensure that future generations will continue to have the same quality of life and opportunities available to them to satisfy their creative and competitive nature and desire for adventure.

TOTAL	\$ 2,006,504	\$ 1,900,518	\$ 2,262,400	\$ 2,393,500

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Administration section is responsible for the overall administration of the Parks and Recreation Services Division of the Department of Community Services. This includes trainings, staff development and professional membership opportunities for employees. This also includes 3rd party software systems that provide support for the delivery of programs and services.

The primary program that falls under the Divisional Administration Section is Santa's Float, a two-week program that brings holiday cheer to the residential neighborhoods and community agencies.

The Administration section also includes City Committees. The committees include the Parks and Recreation Advisory and Sister City Committees. The Parks and Recreation Advisory Committee serves as an advisory body for programs, events and services run by Parks and Recreation. In addition the committee makes formal recommendations to the City Council for consideration regarding policy and projects. It is comprised of 25 members appointed by the City Council. The Santa Fe Springs Sister City Committee's purpose is to plan and conduct projects which will foster mutual understanding and goodwill between the citizenry of Santa Fe Springs and the citizenry of any foreign city designated by the City Council as a "Sister City" of the City of Santa Fe Springs. The Committee is comprised of 25 members appointed by the City Council. Due to Covid-19 in Fiscal Year 2020/2021, advisory committees met sparingly and as needed. Additionally, the Float program was transitioned to comply with COVID-19 protocols. We anticipate that these functions will resume in Fiscal Year 2021/2022.

PARKS: The Parks and Recreation Services Division in the Department of Community Services provides supervision and activities for youth and adults at four neighborhood parks located throughout the city. The hours of operation for the parks changes seasonally, and coincides with the school calendar. The summer months of June, July, and August see increased use, with extended hours to accommodate the recreational needs of the community. Each park schedules daily activities and a family beach excursion.

Special city-wide events are provided annually under the Parks Section. The Independence Day Celebration, which occurs on July 3rd at Los Nietos Park where traditional activities are provided with a spectacular fireworks display. The Halloween Haunted House at the Activity Center and Halloween Carnival at Los Nietos Park promote a safe Halloween environment. The carnival includes a judged Costume Parade, which is the highlight of the carnival. The Easter Egg Hunt, also at Los Nietos Park, occurs the Saturday before Easter. Event activities include an egg hunt, crafts, family games, cake walk and train ride. President's Day is a patriotic themed event held at Lakeview Park. This event includes a penny carnival with prizes, craft area and photo opportunities. Due to COVID-19 in Fiscal year 2020/2021, various special events were transitioned to distanced or virtual events. Additionally, park activities and the family beach excursion were cancelled. We anticipate that these functions will resume in Fiscal Year 2021/2022.

YOUTH PROGRAMS: The Parks and Recreation Division provides safe and positive alternatives for middle school and high school aged youth. This is accomplished through recreational, enrichment and educational programs provided to enhance awareness of the choices and avenues available to them. Daily youth programming is provided at "The Club" housed at Town Center Hall from 3:00pm-6:00pm. The Club is home to the free drop-in program for middle school and high school aged youth. Activities at The Club include a free lunch and snack program, activities, classes, games and tournaments. In addition the City has partnered with the Boys and Girls Club to provide the "College Bound" program which provides academic support and guidance to youth interested in higher educational opportunities. The Youth Leadership Committee consists of City Council appointed students in high school. The Committee provides input and direction on youth programming. Committee activities include City Council meeting presentations, annual workshop retreat and various volunteer opportunities

RENTAL FACILITIES: The Parks and Recreation Division has two historical sites with educational components, banquet halls, and picnic facilities available to meet the recreational and business needs of the community. This area provides for the overall administrative support, staffing, supervision, and set up needs associated with the rental of City recreational facilities. Town Center Hall and Betty Wilson Center are available for reservation for special occasions, business meetings and parties. Residents, business residents, organizations and non-residents may reserve facilities. The Clarke Estate and Heritage Park operations were transferred under the Family & Human Services Division in fiscal year 2018-19. Due to Covid-19 in Fiscal Year 2020/2021, all city facilities were closed and no permits were issued. We anticipate that these functions will resume in Fiscal Year 2021/2022.

SPORTS: The Sports Program encompasses the Activity Center and various programs designed to introduce youth and adults to the fundamental of sports through participation in recreational sports leagues, a Fitness Facility, and special events. The Activity Center is a multi purpose gymnasium with indoor racquetball courts and a fitness facility. Residents and business residents can utilize the gymnasium and racquet ball courts at no charge. The fitness facility requires a \$50 yearly fee. Non-residents may play basketball or racquetball for a daily fee of \$2. There are numerous programs that are offered at the Activity Center including boxing, gymnastics, youth and adult sports leagues and clinics and tournaments. During the summer youth sports tournaments are hosted at the Activity Center. A whiffle ball, 3 on 3 basketball and dodgeball tournament are held for youth with prizes awarded to the winning teams. These tournaments are open to all youth and are free of charge. A wide array of sports programs are offered which encompasses boys and girls ranging in age from 4 to 15 years of age. The primary programs offered include basketball, flag football, soccer, and volleyball. These programs run seasonally, lasting approximately 8 to 12 weeks in length. Program expenses

include participant insurance, uniforms, sports equipment and contractual services for certified referees, and coaching. A middle school after school program is offered for flag football, volleyball, soccer and basketball. The Adult Softball program offers three seasons of competitive softball per year. This program provides league supervision, supplies, Southern California Municipal Athletics Federal (SCMAF) Accident Protection Program, team registration, umpires, and team awards. Due to Covid-19 in Fiscal Year 2020/2021, sports programs were transitioned to virtual. We anticipate that these functions will resume in Fiscal Year 2021/2022.

LEISURE ACTIVITIES: The Leisure Activities Program provides recreational and leisure activities for all segments of the community through recreational and leisure classes, and gardening opportunities. The Parks and Recreation Division provides instruction and supervision for activities and special interest classes for youth and adults of all ages. Classes are held in 4 to 8 week sessions depending on the class and are offered seasonally year round. Various classes are designed to expose the participants involved to the benefits and enjoyment of competitions and exhibitions, while other classes offer enhancements in already existing skills and for new hobbies. The class offerings promote optimum health and awareness. The Community Garden is comprised of approximately 120 parcels that measure 10 ft. x 20 ft. The garden is an opportunity for patrons to participate in a program that encourages healthy lifestyles throughout the year. Regular meetings are held with the gardeners and workshops are scheduled with topics that range from composting to garden tips. The excursions program consists of monthly trips to some of Southern California's points of interest, festivals, museums and more. Excursions are selected by the Parks and Recreation Advisory Committee. Due to Covid-19 in Fiscal Year 2020/2021, the excursions program was cancelled. Additionally, there were various contract classes offered virtually. The community garden remained open. We anticipate that these functions will resume in Fiscal Year 2021/2022.

AQUATICS CENTER: The Aquatics Center is managed through the Parks and Recreation Services Division in the Department of Community Services. The Aquatic Center offers a wide variety of quality courses and programs designed to promote water safety awareness through instructional lessons. The facility offers lap swimming, water exercise, swim team, and the Junior Lifeguards program. An extensive part of the program is devoted to the "Learn to Swim" swimming lesson program. Also offered are group, private classes for adults, children, toddlers, and infants. Swim lessons occur mid June through October. The Aquatics Center also offers an Adaptive Swim Program. Due to Covid-19 in Fiscal Year 2020/2021, the Aquatics Center was closed and programming was cancelled. We anticipate that these functions will resume in Fiscal Year 2021/2022.

CAMPS PROGRAM: The City's Parks and Recreation Services Division offers a summer day camp for children ages 5 to 13. Under the supervision of trained Parks & Recreation staff, children will enjoy arts & crafts, games, special activities, as well as supervised excursions. The program offers 4 two-week sessions. Camp fees include all field trips and children will be provided a nutritional lunch everyday unless otherwise notified. The Spring Break Camp program is open to youth for a one week session in spring. The popular Spring Break Camp takes place at Town Center Hall and provides a safe and supervised environment to expose youth to various crafts, games, activities, and excursions. Fall Camp will offer parents a place to take their children during the Thanksgiving holiday break (Monday through Wednesday). Winter Camp will offer two 1-week sessions during winter holiday break. Fall Camp and Winter Camp are based on 40 participants. Family Camp, which takes place at Camp Commerce in Lake Arrowhead, is a weekend experience providing families the opportunity to spend quality time together while experiencing the greater outdoors. Due to Covid-19 in Fiscal Year 2020/2021, the camps program transitioned to virtual programs. We anticipate that these functions will resume in a hybrid fashion in Fiscal Year 2021/2022.

FIESTAS PATRIAS: The Fiestas Patrias is an annual cultural event, which occurs in the month of September and is hosted by the Parks & Recreation Services Division with the support of all City Departments. The celebration is the official observance day for commemorating the anniversary of Mexico's independence from Spain, which provides for an opportunity for Santa Fe Springs residents to celebrate its cultural heritage through food, music, and folk art. The event is held at Town Center Hall Plaza. Due to Covid-19 in Fiscal Year 2020/2021, the Fiestas Patrias event transitioned to a virtual drive-in concert and a community mural. We anticipate that these functions will resume in Fiscal Year 2021/2022.

LIBRARY & CULTURAL SERVICES: The Library and Cultural Services Division is one of three divisions found in the Department of Community Services, which works collaboratively in an integrated services approach to meet the educational, leisure and cultural needs of residents in Santa Fe Springs. Amongst the traditional program offerings found in a public library, the division takes great pride in offering state of the art technology for our patrons. The City Library is also responsible for managing the assets needed to provide professional reference service; non-traditional cultural programs such as First Friday and vital literacy projects. The library also provides space for a full service café concession. The Library has a total circulation of 173,000 materials, 36,000 registered borrowers and 144,000 visits per year. The library also oversees the Carriage Barn, and its programming including school tours and the docent program.

CITY OF SANTA FE SPRINGS FY 2021-22 OPERATING BUDGET				242

TOTAL BUDGET BY ACTIVITY—\$2.0 MILLION

FOUR-YEAR TRENDS—TOTAL EXPENDITURES BY ACTIVITY

BY TYPE	FY 2018-19 ACTUAL	FY 2019-20 ACTUAL	FY 2020-21 ADOPTED	FY 2021-22 ADOPTED
SALARIES & BENEFITS	\$ 1,457,680	\$ 1,279,151	\$ 1,700,500	\$ 1,747,100
MAINTENANCE & OPERATIONS	306,354	305,171	338,200	338,600
APPLIED REVENUE	(114,474)	(110,420)	(88,800)	(80,900)
TOTAL	\$ 1,649,560	\$ 1,473,902	\$ 1,949,900	\$ 2,004,800

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Divisional Administration Section located at the Library provides general administrative support to the overall Division of Library Services under the Department of Community Services. The City's Beautification & Historical Committee functions are supported through this section. For example, speakers, supplies, and memberships for the committee are covered under this account. In addition, this account also supports functions related to the administration of the Carriage Barn and the educational component of Heritage Park. Due to Covid-19 in Fiscal Year 2020/2021, the Carriage Barn was closed and no educational tours were offered to students. In addition, the Beautification & Historical Committee was unable to meet regularly. We anticipate that these functions will continue, however, in Fiscal Year 2021/2022.

CIRCULATION: The Santa Fe Springs Library circulates approximately a total of 176,000 items annually, including 80,000 children's items to 41,000 registered borrowers. Supplies and materials required for the processing of materials and preparation for circulation to the public are budgeted in the Circulation Activity, which includes revenue from library fines and DVD rental fees. Also included are charges for our electronic catalog, RFID maintenance, and copy services for public use. Due to Covid-19 in Fiscal Year 2020/2021, no fines or fees were assessed. We anticipate that the assessment and collection of fines and fees will continue in Fiscal Year 2021/2022.

OUTREACH PROGRAM: The City Library Outreach Program provides homebound service to patrons that are not able to visit the Library. Library staff made over 100 visits to homebound residents last year. Materials are also delivered to seniors at different senior living facilities such as the Little Lake Village. Additional program components include the Adult Summer Reading Program, SFS Grows, Tuesday Club, Star Wars Reads Day, Novel Idea Book Group, Usual Suspects Mystery Book Group, and the Cultura Y Lectura Spanish Book Club. Building on the recent success of adult programming, the Library is committed to providing the best in programming for adults such as Pub Trivia Night and Food & Films. Cultural Programs play an important role in the overall program offerings through the Library Services Division, as the programs promote the availability of diverse cultural experiences and celebration of the rich cultural heritage of Santa Fe Springs residents. Traditional program components include First Fridays, and the Bringing Literature to Life annual event for high school students where classics such as *The Great Gatsby* come to life in the Santa Fe Springs City Library. Due to Covid-19 in Fiscal Year 2020/2021, no in-person programs and events were held, although staff offered virtual programs and Grab & Go kits. We anticipate that programs and events will be held in Fiscal Year 2021/2022.

ADULT LITERACY: Adult Literacy is an invaluable service that has the potential to significantly improve the quality of life of Santa Fe Springs residents. The Adult Literacy Program provides free support and assistance to residents above 16 years of age and not enrolled in an educational institution. Literacy students in this program have mastered conversational English and need support in mastering basic reading and writing skills. The Adult Literacy Program is primarily supported by community volunteers; students are matched one-to-one with a volunteer who receives 15 hours of specialized training. Additional program components include a weekly writing class, access to a Reading Lab and a monthly Book Discussion Group. Volunteer tutors and adult literacy students attend an annual Literacy Conference. The Adult Literacy Program is partially subsidized by the State of California Library with a yearly matching grant. Due to Covid-19 in Fiscal Year 2020/2021, no in-person tutoring or book groups were held - this was all done virtually. We anticipate that in-person tutoring and book groups will continue in Fiscal Year 2021/2022.

CHILDREN'S LITERACY: The Santa Fe Springs Children Literacy Program is a well-recognized program through the State of California that provides invaluable service and has the potential to significantly improve children's reading levels ensuring academic success. Under the umbrella of Reading Club, children between the ages 7 to 12 who have scored below grade level in reading and writing can benefit from this service. The Reading Club provides reading and writing assessments twice during the school year, in the fall and in late winter. Reading Club students meet twice a week with a volunteer tutor who receives 12 hours of training. Their families join in through a monthly Family Night to provide support and guidance. The English Language and Literacy Intensive Program (ELLI) is a critical component of Children's Literacy. It serves children in local schools through weekly supplemental, in-class literacy instructional sessions. The focus is on vocabulary, academic language, listening comprehension and writing. Included throughout the year are book giveaways, Author Month, Santa Letters writing project, and Battle of the Books (BOB) which challenges students to read 30 titles throughout the year and "battle" for first place in May. Also, all students are challenged to read as many books as they can during the school year and are rewarded at the end of the school year. Due to Covid-19 in Fiscal Year 2020/2021, no in-person Reading Club, ELLIs, or events were held. However, Reading Club, the ELLI lessons and the annual Author Month event have all been held as virtual programs. We anticipate that these programs and events will be held in-person in Fiscal Year 2021/2022.

CHILDREN & YOUTH SERVICES: The Children and Youth Services Section of the Library provides services and programs to children and young adults starting at infancy to eighteen years of age. The Santa Fe Springs Library children and young adults collection includes 23,000 children's books and 3,000 books in the young adult collection. The Children and Youth Services provide a wide variety of activities and events that serve the children and families of Santa Fe Springs, which include the Summer Reading Program, Preschool Storytime, Bilingual Storytime, Sensory Storytime, and holiday celebrations. Approximately 1,200 preschool children participate in the Wednesday morning Preschool Storytime, and approximately 800 children attend summer programs. A STEAM Storytime will be added during FY 2019/20. Youth Services also includes teen programs throughout the year and special programs during the summer. Due to Covid-19 in Fiscal Year 2020/2021, no in-person story times, programs or events were held. However, we have developed a robust series of virtual story times and virtual summer programs for children. We anticipate that these programs and events will continue in-person in Fiscal Year 2021/2022.

MULTI-MEDIA SERVICES: The City's Library Adult, Audio-Visual and Digital Services in the Department of Community Services maintains and develops the audio-visual collection, which consists of entertainment and non-fiction DVD's, music CD's, foreign language audio CD's, and adult and children's audio books. Approximately 1200 DVD's, CD's and audiobooks are added to the collection each year. Additional services include an electronic database collection, which now consists of 39 databases ranging in subject from auto repair to health and wellness. Our most popular databases are live-homework help, Mango Languages and those that assist small business, such as A to Z Databases. The Library also provides a variety of E-content, from e-books, e-movies, e-magazines and e-audio. Over the past few years, Library patrons have come to rely on materials accessed through the City's website. The Library also manages a print collection for adults comprising of approximately 34,000 volumes and 120 magazine and newspaper subscriptions. Due to Covid-19 in Fiscal Year 2020/2021, the Library building was closed to patrons; however, Library Curbside Service was offered to all patrons and our digital holdings were increased greatly. We anticipate that the library building will be reopened and normal functions will continue in Fiscal Year 2021/2022.

WILLIE GORDON LEARNING CENTER: The William C. Gordon Learning Center at the Neighborhood Center serves those who may not be able to visit the main Library on Alburdis. It is equipped with computers and a collection of popular books, audiobooks, magazines, music and DVDs. The facility is staffed by Library Information Desk Assistants who are available for computer and reference assistance. The Summer Reading Satellite Program is also held at the Willie Gordon Learning Center, as well as a popular monthly senior craft. There were about 2000 visits to the Learning Center in 2018-2019. Due to Covid-19 in Fiscal Year 2020/2021, the William C. Gordon Learning Center was closed to the public. Staff have been using this time to refresh the collection and shelving. We anticipate that the Center will be reopened to the public in Fiscal Year 2021/2022.

FAMILY & HUMAN SERVICES: The Family and Human Services Division is one of three divisions comprising the Department of Community Services, that utilizes a collaborative approach to provide essential human services to residents in Santa Fe Springs in the areas of older adult services, family services, social services, case management and facility rentals. In partnership with community-based service providers, the Division of Family and Human Services promotes and supports the well being and healthy development of the community. It cultivates and promotes the importance of family unity, and intergenerational connections. This division also oversees the Clarke Estate and Heritage Park, including all programs and events taking place at these facilities as well as facility rentals.

TOTAL	\$ 1,153,569	\$ 1,206,860	\$ 1,576,900	\$ 1,690,900

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Administration section provides general administrative support to the overall Division of Family and Human Services of the Department of Community Services. Various trainings are provided to division administrative staff and other professional development opportunities are provided through this section in the form of membership to professional associations and attendance to annual conferences. The programming that falls under the division's administrative section are the Family & Human Services Thanksgiving and Neighborly Elf Christmas basket programs and the Gus Velasco Neighborhood Center's (GVNC) facility rentals. The Administration section also includes City Advisory Committees with oversight provided by the Family and Human Services Division. The committees include the Senior Citizens and Family and Human Services Advisory Committees. The Senior Citizens Advisory Committee serves as an advisory board to plan, recommend, and improve the Older Adult Services in the City of Santa Fe Springs. The Family and Human Services Advisory Committee was developed to advise the City Council on human services needs that exist in the community and also work with City staff on improving and developing social services programs. The Committee also evaluates existing services/programs and recommends changes to improve service delivery.

Due to Covid-19 in Fiscal Year 2020/2021, no in-person programs and events were held. All facility rentals were canceled. In addition, the Family and Human Services and Senior Advisory Committees were unable to meet regularly. We anticipate that facilities will re-open and in-person programs and events will be held in Fiscal Year 2021/2022.

FAMILY SERVICES & CASE MANAGEMENT: The Family Services & Case Management Section is one of four sections with in the Division of Family and Human Services under the Department of Community Services. It provides outreach, information, and services for youth and their families who live and work in the city. The section cultivates and promotes the importance of family unity, and intergenerational connections. Staff works closely together with the local schools, outside community organizations, and county departments to explore, create and nurture the needs of families in our community. The Family Services Section provides a wide array of services through the Gus Velasco Neighborhood Center servicing over 15,000 clients annually. Services are available for residents including educational workshops, legal services, volunteer income tax assistance program, utility assistance, and case management. Case management includes client assessment, advocacy, and referrals. We also offer financial assistance to Santa Fe Springs families in crisis. Family Services & Case Management offers a Student Intern Program. Case management has partnered with local universities to provide undergraduate social work students with valuable field work experience, working with families, older adults, and the community at large.

Due to Covid-19 in Fiscal Year 2020/2021, no in-person programs and services were provided. Staff offered modified services and programs by email, phone or virtual (Zoom). We anticipate that facilities will re-open and programs and events will be held in Fiscal Year 2021/2022.

OLDER ADULT SERVICES: The Older Adult Services provides a wide variety of activities and services to over 30,000 older adults every year out of the Gus Velasco Neighborhood Center (GVNC). Carefully designed program offerings provide for a multi-disciplinary approach to support quality of life attributes in four specific categories: (1) baby boomers (53 – 60 year of age); (2) older active adults (60 – 70 years of age); (3) the elderly (70+); and, (4) the home-bound seniors. Services are customized to meet the current needs of each population. This section also provides staff support to three senior clubs who utilize the GVNC. An on-site nutrition lunch program for seniors 60+ years of age out of the Gus Velasco Neighborhood Center and a homebound meal program for the senior population restricted to home care are provided through contractual services with the Southeast Area of Social Services Funding Authority (SASSFA). Access to transportation is made available through Access, Santa Fe Springs Transportation and taxi vouchers for senior residents who require transportation assistance to medical appointments.

Due to Covid-19 in Fiscal Year 2020/2021, no in-person programs and events were held, although staff offered virtual programs, traditional crafts kits, giveaways, a modified Senior Buzz newsletter and SASSFA offered a home delivered meal program. We anticipate that programs and events will be held in Fiscal Year 2021/2022.

HERITAGE PARK & CLARKE ESTATE FACILITIES: Heritage Park is a historic site. The buildings and grounds are restorations of an elegant ranch that prospered in the late 1800's and have been restored and registered as a State of California Historical site. The park hosts special events, meetings, weddings, photos sessions and educational tours. The Clarke Estate, built in 1919, is listed in the registrar of Historical places with the California State Department of Parks and Recreation. The venue provides for an intimate outdoor venue used for weddings, receptions, ceremonies, and other seasonal events. The Clarke Estate is open on Tuesdays, Fridays and the first Sunday of the month for guided tours. Annual signature events at Heritage Park include Pioneer Living Day, Summer Movies and Concerts at Heritage Park, Dia De Los Muertos, and Las Posadas that have strong cultural and historical significance. Both sites house unique art components from bronze sculptures and tiled fountains to accurate restoration of historical buildings.

Due to Covid-19 in Fiscal Year 2020/2021, no in-person programs and events were held. All facility rentals and weddings were canceled. Staff offered modified special events to include drive-through and virtual activities. The Summer Concert and Movie Series was transformed into a Drive-in Movie Series. We anticipate that facilities will re-open and programs and events will be held in Fiscal Year 2021/2022.

CAPITAL IMPROVEMENT PLAN

CAPITAL IMPROVEMENT PLAN

The City's Capital Improvement Plan (CIP) consists of short-range (3-5 years) capital projects selected by the City Council CIP Subcommittee and approved by the City Council. Capital expenditures are funding invested to acquire or maintain fixed assets, such as, land, buildings, streets and equipment. The current CIP project list includes community services facilities, public safety facilities, streets and technology projects.

The CIP Subcommittee uses the following criteria in making their selections:

- Projects that eliminate, mitigate and manage risks and contribute to the safety and welfare of the public;
- Projects that protect and maintain City assets, facilities and infrastructure; and
- Projects that contribute to overall quality of life for residents and businesses

The CIP projects are funded by:

- a) The General Fund in the targeted amount of \$2.8 million annually. The funding derives from the City Council designated allocation of 1.5% of the City's 5% Utility Users' Tax;
- b) Various transportation funds;
- c) The City's Water Capital Fund; and
- d) Bond proceeds from tax allocation bonds issued by the former Community Development Commission. The State Department of Finance approved an Agreement giving the City Council authority to spend bond proceeds on capital projects effective July 1, 2014.

The CIP Subcommittee provides direction to staff on project development and priorities. The City Council approves all individual project budgets and capital expenditures.

WATER UTILITY FUND

WATER UTILITY FUND

The City's Water Utility Fund is the only Enterprise Fund the City operates. Enterprise Funds account for activities that the City operates like business enterprises. In these situations, the City acts as a municipal corporation to recover the costs of providing certain types of services primarily through user charges. These costs include operating expenses and the capital cost of maintaining, replacing, upgrading and adding to the capital inventory of the fund.

The Enterprise Fund is an independent budget with its own revenue and expenditure accounts. The Water Utility Fund, as the only Enterprise Fund, is a component of the larger total City budget. The General Fund captures transfers from the Water Utility Fund in connection with water billing and other services provided.

The Water Enterprise provides water services to the residential and commercial segments of the City. This fund pays for operating costs such as the purchase of water from outside sources, water billing functions and the capital costs of maintaining and upgrading the City's water distribution system. Water revenue comes primarily from the City's 6,500 water accounts that are charged for water usage. The Water Utility Fund budget of \$15.8 million accounts for approximately 20% percent of the total citywide budget for FY 2021-22.

Although the City Council approved new phased in water rates beginning June 1, 2020, over the last several years, there has been a continuing need for Capital Improvement Projects related to the source of water to aid in stabilizing the growing cost of water from outside sources. The cost to have an operating well in both of the City's water zones is expected to be approximately \$10 million. Other options for water supply sources are also being considered, but all come with a capital investment requirement.

The proposed budget for FY 2021-22 has an approximate \$1.0 million budget surplus, primarily due to increased revenues as a result of the new water rates. Total revenues are expected to increase by \$3.0 million, while expenditures are expected to increase by approximately \$635,000 or 4.5%. The proposed budget includes a recommendation to transfer the \$1.0 million budget surplus into the Water CIP Reserve in order to start accumulating funding to explore alternative and reliable water sources.

The Utility Services Division accounts for the operations of the City owned water system. The program maintains, repairs and replaces all facilities dedicated to the safe delivery of potable water to the residents and businesses of the City, including pipelines, valves, fire hydrants, and storage tanks and reservoirs.

TOTAL	\$ 10,471,432	\$ 10,988,767	\$ 12,965,340	\$ 14,761,900

Salaries & Benefits: Refers to compensation and other monetary and non-monetary benefits provided to City employees. Benefits include: retirement plans (for full-time and part-time employees), health insurance, Medicare, Disability insurance and City matching contributions to the Deferred Compensation Plan.

Maintenance & Operations: Day-to-day activities necessary to provide public services. This includes: contracts, supplies, travel and training, etc.

Applied Revenues: Departmental revenue sources that offset incurred expenditures.

ADMINISTRATION: The Administration activity sets policies and standards for the department and provides guidance and direction to the individual divisions of the department.

WATER PURCHASES: The Water Purchases activity provides for the purchasing and production of the water needed by City water customers. It ensures that potable drinking water is available to over 6,500 homes and businesses within the City of Santa Fe Springs and a small section of Downey.

BILLING & COLLECTION: The Billing and Collection activity oversees the water meter reading and invoicing function. The activity includes management of the water meter reading. Staff generates bills to the water customers based on the reads. The activity is responsible for processing bills, receiving payments and taking customer service calls.

BACKFLOW: The Backflow activity is responsible for the maintenance of City-owned backflow devices and regulating the integrity of privately-owned devices. The most important tasks include: Testing of customer, County, and City backflow devices on an annual basis unless devices show a routine habit of failing and then are tested on a six month cycle; Cross connection inspections inside buildings and on construction sites that have a combination of potable, industrial, and reclaimed water. This is usually performed in conjunction with the L.A. Co. Department of Health Services; and, monthly notifications to customers of the need for their device to be tested.

DISTRIBUTION SYSTEM MAINT.: The Distribution System Maintenance activity is responsible for maintaining 108 miles of City owned water mains, 1,120 fire hydrants, 6,500 water service connections and is also responsible for the City's five storm water pumping systems, ten storm pumps and pumps at City Underpasses. It annually performs approximately five new installations of distribution main, installs 20 fire hydrant runs, 20 fire services connections and 30 new service connections for residential and commercial buildings.

PRODUCTION FACILITIES MAINT.: The Production activity is responsible for operating City wells, reservoirs and interconnections, taking weekly State Title 22 water samples, ensuring water quality, investigating customer concerns, replacements and testing, as well as treating and maintaining the City's six recreational pools to ensure they meet State Department of Health Safety standards.

DEBT SERVICE: The Debt Service activity accounts for the current payments due on debt issued by the Water Utility

INTERFUND TRANSFERS: The Interfund Transfers activity accounts for the transfers of the Water Fund to other City Funds

SUCCESSOR AGENCY

SUCCESSOR AGENCY

The State of California dissolved all redevelopment agencies across the state effective February 1, 2012. The City of Santa Fe Springs now acts as the Successor Agency to the former Community Development Commission (CDC) for the designated project area. In its role as Successor Agency, the City is now responsible for receiving former tax increment (property taxes) and repaying debt and to make payments for enforceable obligations as approved by the State Department of Finance through the Recognized Obligation Payment Schedule (ROPS). Ultimately, the goal of the Successor Agency is to wind down the affairs of the former CDC pursuant to AB 1X 26, AB 1484, and all subsequent dissolution laws.

HOUSING SUCCESSOR

HOUSING SUCCESSOR

The City, as Housing Successor to the former Santa Fe Springs Community Development Commission (CDC), maintains the assets of the former low-moderate income housing fund. Pursuant to California law, the unobligated cash balance of the fund was transferred to the Los Angeles County for distribution to taxing agencies. The remaining assets (e.g. real estate and loan receivables) are retained by the City. In the event that revenue becomes available to this fund, the City Council will take action regarding the use of such funds.

The outstanding housing bonds are budgeted and paid by the Success Agency from property taxes allocated to it pursuant to AB 1X 26, AB 1484, and all subsequent dissolution laws.
